ADJOURNMENT

Accommodations:

Any person with a disability who needs accommodation for participation in these meetings should contact the Superintendent's Office at 616.863.6557, at least five days in advance of the meeting.

Date | time Monday – March 11, 2024 | 5:30 p.m.

Location Administration Boardroom

Meeting called to order at 5:30 p.m. with a moment of silence and the Pledge of Allegiance by President Folsom

In Attendance

Board of Education: Tricia Anderson, Barbara Helms, Jake Himmelspach, Jarrod Folsom, Kelley Freridge, Christie Ramsey, Nick Reichenbach

Administration: Dr. Steve Matthews, Mike Ramm, Allison Clements, Korie Wilson-Crawford, Lisa Jacobs, Jodi Nester.

Adoption of Agenda

Motion to approve agenda by Christie Ramsey with support by Nick Reichenbach. The motion passed unanimously.

Recognition

A video was played honoring the Middle School Students of the Month.

A video was played and the Beyond the Rock students were congratulated on their recent award.

Consent Agenda

Motion to approve by Nick Reichenbach with support by Kelley Freridge. The motion passed unanimously.

1. Approval of Minutes from the February 12, 2024 meeting
2. Presentation of bills in the amount of \$13,405,478.45
3. MILAF – Approval of Allison Clements
4. Spring Coaches
5. Prevailing Wage Revision

New Business

1. District Calendar Approval

Dr. Matthews, Dr. Wilson-Crawford, and Mr. Ramm presented the tentative calendar for the 2024-2025 school year. They discussed how the calendar was created and what factors were considered when finalizing the dates.

2. Schools of Choice Resolution

Dr. Matthews presented the schools of choice resolutions for the 2024-2025 school year for approval. By roll call vote after a motion by Jake Himmelspach with support by Christie Ramsey, the Board of Education approved opting out of section 105 in order to participate in an intermediate school district-wide schools of choice program in accordance with Section 105 for the 2024-2025 school year. A motion was made by Christie Ramsey with support by Kelley Freridge to accept applications for current 105C students and their siblings. Passed unanimously by roll call vote. Nick Reichenbach made a

motion with support by Jake Himmelspach to opt into the Collaborative Schools of Choice program offered by the Kent Intermediate School District for the 2024-2025 school year.

3. Belmont Elementary Principal Recommendation

Dr. Matthews and Dr. Wilson-Crawford made a recommendation for Rachel DeKuiper to be named Principal of Belmont Elementary, replacing Shannon Ouellette, who has been named Principal at Edgerton Trails Elementary. Motion to approve by Kelley Freridge with support by Barb Helms. The motion passed unanimously.

4. Administrator Retirement

Larry Watters, Principal of Parkside Elementary, announced that he will be retiring at the end of the school year. We thank Larry for the many years he has given the students and staff of Rockford Public Schools. Motion to approve by Christie Ramsey with support by Jake Himmelspach. Motion passed unanimously.

5. Furniture Purchasing

Assistant Superintendent of Instruction Mike Ramm discussed the need for new Teacher furniture in some classrooms. This would also allow us to improve technology at the same time. This will be an ongoing bid/budget item on a rolling schedule with most work occurring during the summer. Motion to approve by Kelley Freridge with support by Tricia Anderson. Trustee Reichenbach abstained from voting due to a conflict of interest. Motion passed unanimously.

6. Curriculum Resource Recommendation

Mike Ramm, Assistant Superintendent of Instruction, gave a brief overview of the process of choosing curriculum. He introduced North Rockford Middle School Principal, Lissa Weidenfeller, who gave a presentation to the board regarding new Social Studies recommended curriculum for Middle School.

Dr. Kelley Amshey, Rockford Freshman Center Principal, gave a presentation on new curriculum for 9th grade ELA in preparation for AP Seminar course offered in 10th grade. This curriculum is offered to Rockford Public Schools at no charge.

Motion to approve Middle School Social Studies Curriculum by Kelley Freridge with support by Jake Himmelspach. The motion passed with approval by six board members. Trustee Helms abstained from voting.

Motion to approve Curriculum by Christie Ramsey with support by Kelley Freridge. The motion passed unanimously.

7. Emergency Elevator Repair at East Rockford Middle School Resolution

Executive Director of Business and Operations explained that the Elevator at North Rockford Middle School needs to be repaired. Due to the urgent need, the part has been purchased and a resolution is being brought to the board to pay for the part. Motion to approve by Jake Himmelspach with support by Nick Reichenbach. Motion passed unanimously by roll call vote.

Old Business

None

Reports

1. Student Representative

Student Representative, Camille Dahlke presented to the board on things happening at the High School. The play Mamma Mia was very successful. The Art Department held a spring art show in the fine arts lobby March 18 - 27. The Sax section of the Jazz band was recently recognized at the Annual Western Invitational. Athletics is very busy with several athletes/teams having great success at State Events.

2. Committee Reports

Trustee Anderson and Mike Ramm mentioned that the details of a DK—5 curriculum will be brought to the board in a meeting this Spring.

Dr. Wilson-Crawford, Assistant Superintendent of Human Resources, indicated that bargaining has started with Rockford Public Schools union groups.

3. Collaborative Team Reports

Parkside Principal, Larry Watters, talked about March being reading month. He also talked about testing that the students have recently completed. There has been a lot of discussion among parents and staff regarding the new boundary lines. Cannonsburg Elementary is next to receive new furniture. JA Biztown will be taking place in April.

North Rockford Middle School Principal, Lissa Weidenfeller, talked about things happening at the secondary levels. The third trimester is off to a great start. She talked about the success of the Orchestra. There are approximately 400 students who participate in Orchestra. The secondary level also just completed NWA testing and are having great success with Math and Reading. Spring Sports are beginning soon along with several clubs offered at both Middle Schools. The Freshman Center and Rockford High School are working on their class B section curriculum. The staff have participated in teacher led breakout sessions which they have found very helpful.

4. Construction Update

Jared Goff from Owens Ames Kimball gave an update on the constructions happening in the district. He gave updates on Edgerton Trails, Roguewood Elementary, North Rockford Middle School and the Transportation building. There is also construction happening on the baseball and softball fields.

Recognition of Visitors & Hearing of People Present

The following individuals addressed the Board of Education.

Brenda Wodarski

Chris Crandle

Charlie Curtis

Duane Gritter

Superintendent Remarks

Dr. Matthews discussed the law suit that was filed late last year. We will not discuss the lawsuit due to privacy issues.

Another lawsuit was filed against the district regarding pornographic books in Libraries. The court dismissed this lawsuit.

March is reading month. Dr. Matthews thanked all of the media staff for their hard work. They go above and beyond to help our students.

Dr. Matthews also talked about how Christianity is part of the Social Studies Curriculum.

The fine arts department was praised for the work, and several students were commended for the award-winning performances.

Adjournment

Memorandum

To: Steven Matthews, Superintendent
From: Mike Ramm, Assistant Superintendent of Instruction
Date: April 8, 2023
Subject: Technology- Lightspeed Internet Filter Purchase

Dr. Matthews:

Throughout the last couple months, Bob Stull and his team have been evaluating internet filtering software in response to an expiring contract with our current provider and feedback in the district about students being able to find avenues around current restrictions. As a result, Bob and his team have discovered advantages in moving from our current umbrella filtering subscription to a new product called Lightspeed.

Rationale for the change includes the following points: Lightspeed is far more advanced than the current umbrella solution we are using, the cost is similar, and our umbrella subscription expires this summer. One significant difference is that Lightspeed's package along with many new features does give us the ability to filter at a specific site URL level. This feature will allow us to block an individual site such as the gaming page we recently heard feedback around. Our current filter does not have this capability. It also provides a more feature rich reporting package along with additional advantageous characteristics, including a friendly user interface.

Attached is the quote for the 3 year subscription purchase for Lightspeed and it totals \$64,125, roughly \$6,000 more than our current umbrella solution. I recommend that we move forward with this purchase. If approved, the filtering upgrade will be effective for the 2024/25 school year.

Respectfully,

Mr. Mike Ramm
Assistant Superintendent of Instruction

Subject: Certified Staff Tenure Recommendations

Due to changes in the Michigan Teacher Tenure Act, a previously tenured teacher from another district is subject to a two-year probationary period instead of four in the new district. Therefore, for your information, the following teachers have successfully completed their two-year probationary term with us:

Colin Brown	North Middle School
Elizabeth Brown	Belmont Elementary
Chelsea Cates	Freshman Center
Megan DeRuitter	High School
Jennifer Halligan	East Middle School
Lauren Honeysett	Valley View Elementary
Lance Johnson	River Valley Academy
Cailey Mosher	Crestwood Elementary
Naomi Poel	Lakes Elementary
Elizabeth Siereveld	Roguewood Elementary
Joseph Trolla	North Middle School
Susan Trotter	East Middle School

I recommend the following teachers to be granted tenure as of the end of 2023-2024 school year:

Elyse Anderson	Crestwood Elementary
Lynsey Bettig	East Middle School
Alexandria Brown	Belmont Elementary
Gabrielle Cortes	Roguewood Elementary
Mary Cory	East Middle School
Madison Doenges	Valley View Elementary
Stepfanee Dubay	Lakes Elementary
Deborah Edwards	High School
Sharon Farquhar	Roguewood Elementary
Amber Gerrits	Lakes Elementary
Holly Jones	Freshman Center
Jessica Karsies	Valley View Elementary
Rachael Macklin	Roguewood Elementary
Allison Sanders	High School

Kasey Sauder	High School
Heather Sheahan	North Middle School
Allyssa Slamp	Belmont Elementary
Amy Tenney	East Middle School
Amanda Urquhart	Freshman Center
Jaclyn Warren	North Middle School
Krysta Woycehoski	High School

RESOLUTION ESTABLISHING STAFF APPRECIATION WEEK MAY 6-10, 2024

WHEREAS, the Rockford Board of Education is proud to commemorate the week of May 1, 2023, as Staff Appreciation Week, and Tuesday, May 7, 2024, as Staff Appreciation Day, as a way of expressing appreciation for the vital roles that teachers and school employees play in the education of children, and recognizing that our future lies in their hands; and

WHEREAS, teachers and support staff devote their time and talents in an effort to assure that all children succeed. They are role models for children at the most impressionable state in their development, and it is most fitting that we pause to grant them the recognition and praise that they deserve; and

WHEREAS, teachers and support staff, through their work in public schools, provide the basis for preservation of our democratic heritage. Staff Appreciation Week is an effective and positive way of honoring all the teachers and other school employees for their efforts and their influence on the education of those who will eventually take their place as the leaders of America; now

THEREFORE, BE IT RESOLVED by the Rockford Board of Education that we commemorate the week of May 6, 2024, as Staff Appreciation Week, and Tuesday, May 7, 2024, as Staff Appreciation Day, for all citizens to recognize Rockford's outstanding and dedicated teachers and support staff.

Adopted April 14, 2024

Jarrold Folsom, President
Rockford Board of Education

Dr. Steve Matthews, Superintendent
Rockford Public Schools

Memorandum

To: Dr. Steve Matthews, Superintendent
From: Mike Ramm, Assistant Superintendent of Instruction
Date: April 10, 2024
Subject: 2024 Curriculum Resource Recommendation: DK - 5th Grade Literacy

Dr. Matthews:

I am writing to inform you about Monday's presentation to the RPS Board of Education recommending the approval of the Core Knowledge Language Arts (CKLA) program as our new literacy curriculum resource for students in developmental kindergarten through 5th grade.

Research consistently demonstrates that a strong foundation in literacy is essential for a child's educational success. Literacy skills serve as the gateway to accessing all other areas of learning. While our district has made significant student achievement and content alignment improvements in the area of literacy over the last four years, the existing resource that we are using, MAISA, lacks the expected science of reading alignment and levels of rigor that our students are ready to learn. CKLA is rooted in evidence-based practices and aligns with the science of reading, which emphasizes the importance of phonics, phonemic awareness, fluency, vocabulary, and comprehension in literacy instruction. By implementing CKLA across all elementary classrooms in our district we can ensure that all of our students receive high-quality, research-based instruction that increasingly meets their developmental needs and prepares them for academic success.

At Monday's meeting, Sharon Wells, RPS Director of Literacy and Federal Programming, and I will present to the board regarding the process used to evaluate curriculum resources and rationale for choosing CKLA. The recommendation will be made for a six year subscription purchase for CKLA and the total cost for all elementary students (including Spanish Immersion) is \$1,159,727.65 (see budget attached). The proposal has been partnered with us submitting our application for the State of Michigan's 35J Literacy Grant which aims to improve literacy programs across the state. We expect to receive roughly \$1.1 million in funding allocation over two years from the grant. Approximately \$750,180 of the grant monies can be applied to the purchase of CKLA and professional development scheduled for teachers this summer.

I am proud of the work that has been recently done in our district in the area of literacy. There are many examples of improvements to our system that have had significant benefits for students and staff and we are emerging as an innovative instructional leader across West Michigan. This recommendation further supports that path. If you are in need of any additional information or have questions, please do not hesitate to contact me. Thank you for considering this recommendation.

Respectfully,

Mike Ramm

Elementary ELA Core Curriculum Adoption

2023-2024: ELA Core Curriculum Selection Process

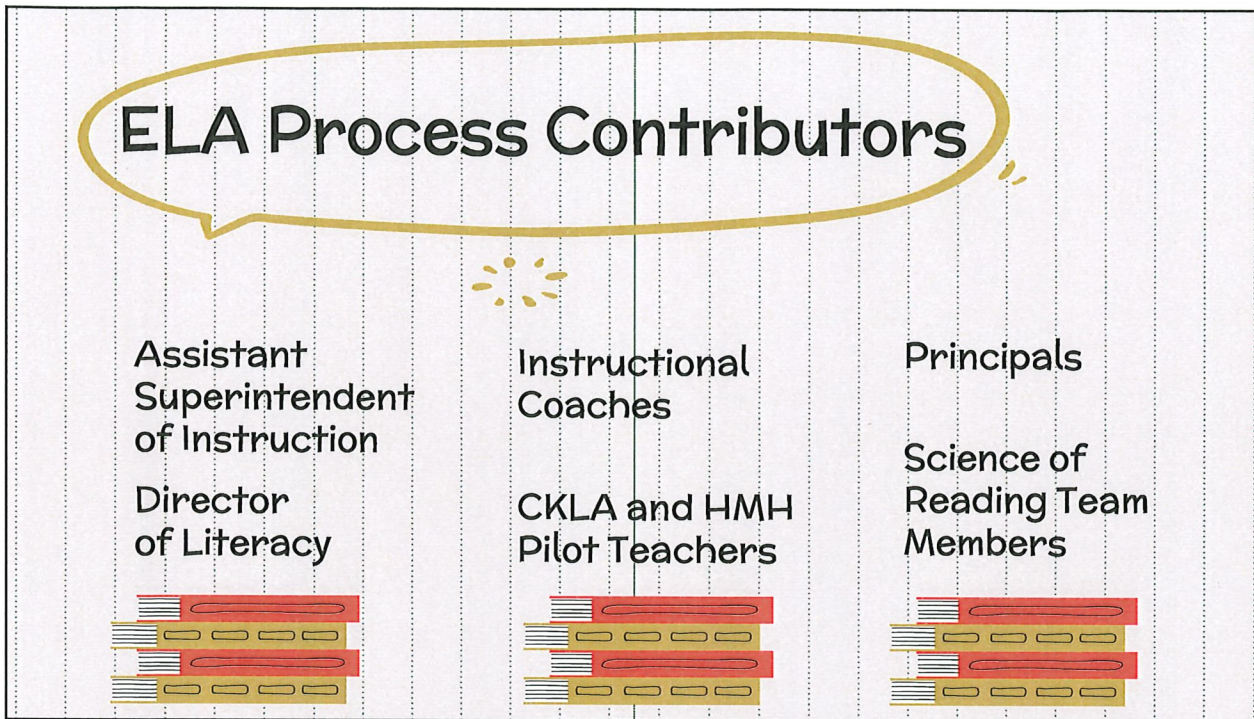

What is the Science of Reading?

The **science of reading** is a vast, interdisciplinary body of scientifically-based research about reading and issues related to reading and writing.

This research has been conducted **over the last five decades across the world**, and it is derived from **thousands of studies conducted in multiple languages**. The science of reading has culminated in a **preponderance of evidence** to inform how proficient reading and writing develop; why some have difficulty; and how we can most effectively assess and teach and, therefore, improve student outcomes through prevention of and intervention for reading difficulties.

Memorandum

To: Steve Matthews Ph.D., Superintendent
From: Mike Ramm, Assistant Superintendent of Instruction
Date: April 11, 2024
Subject: Purchase of New Teacher Station Furniture

Dr. Matthews,

I am pleased to inform you that Rockford Public Schools is continuing to make progress at updating furniture throughout our district. As you recall, the furniture purchase is part of the 2019 Bond to enhance district learning environments.

Cannonsburg received all new student and teacher furniture over spring break with Lakes and Parkside receiving new teacher stations throughout the month of April. During the summer, all district teacher stations will be replaced on a rolling schedule and student furniture will be installed at Edgerton Trails, Lakes, Parkside, and Valley View. In addition, furniture will be installed in the rooms of the new addition at North Rockford Middle School, as well as in all elementary STEAM rooms. Teacher stations for Crestwood Elementary are included in this approval request with the anticipation of installation prior to the start of the 2024-2025 school year.

The budget proposal total for supporting the teacher stations at Crestwood Elementary and punch list items at Belmont and Valley View is \$161,717.27 and details are outlined in the attached packets. I

At Monday's meeting we will be seeking board approval of the budget to move forward. If you have any questions or require further information, please do not hesitate to contact me.

Thank you,

Mike Ramm

Contract Omnia Partners Region 4 ESC
Contract # R191818

To Whom It May Concern:

Please note the following pricing has been presented in Omnia Partners Region 4 ESC Contract NET values, based on the stated models, colors, finishes, and quantities. Any alterations will be subject to updated pricing.

Pricing is valid for 30 days* for projects delivering within 9 months of the receipt of a complete PO. Orders with delivery requirements outside of 9 months must be requoted. Please discuss specific project requirements with your VS America Territory Manager.

Factory-direct orders qualify for free shipping if the total net amount is over \$50,000 USD. Freight charges do apply for any orders fulfilled from the VS America Stock / Quickship Program. Please refer to the Customer Freight Terms document, Omnia Region 4 Freight Terms, for a complete list of exclusions and restrictions.

Installation is not included in unit pricing.

Please check all details prior to submitting an order. Where details have been left unspecified in the request, default selections have been quoted. If you have any questions, please contact your inside Sales Representative or Territory Manager at the numbers shown above.

Best Regards,

VS America Inc.

*Barring the announcement of a formal price increase.

QUOTATION

2834-28087

VALID UNTIL 5/1/2024

Dew-El Corporation would like to thank you for the opportunity to quote your furniture needs. The attached proposal outlines the specifications and pricing based on the information provided. By signing and returning this quote, you agree to be bound by the terms and conditions contained herein which shall become the fully integrated agreement between you, the Client, and Dew-El Corporation.

DELIVERY AND INSTALLATION

1. Delivery/installation services are performed during normal business hours Monday through Friday 8:00am to 5:00pm unless otherwise specified; Client may incur additional charges for services performed after hours and/or weekends. All labor is quoted as a single-phase installation unless noted otherwise. If additional trips or phases are required due to the Client not being prepared for delivery or the site not being ready, it may result in added cost to the labor quote. Product will be delivered and installed on a mutually agreed upon date. All available spaces must be ready for furniture; installation of all carpet, painting, lighting, and ceiling tiles must be completed. If delivery and/or installation are requested by the Client to an uncompleted space, Client accepts responsibility for any damage to or theft of the product. The Client may request partial delivery and/or installation when placing the order. If so, the Client agrees to both take delivery and pay for all delivered items on a partial basis.
2. Prior to the installation, Dew-El Corporation is to be informed of the following guidelines or restrictions for proper access to the building: dock accessibility, sidewalks, parking lots, elevator access above the first floor, time restrictions, security checks or any safety requirements needed for access to your facility during the time of the installation. Any notification that delivery and/or installation cannot be accepted must be communicated to Dew-El Corporation no later than 12:00pm on the business day prior to the scheduled delivery and/or installation date. Dew-El Corporation requests product to be shipped by our manufacturers according to customer needs. If a Client has requested product to be installed by a specific date, Dew-El Corporation will work with the manufacturer to have all product received in time for the installation date requested by the customer. Dew-El Corporation shall not be held liable for manufacturing/delivery delays outside of Dew-El Corporation's control. If for any reason the customer delays the original installation date, Dew-El Corporation reserves the right to invoice for all product shipped according to the customer requested delivery date.

SALES TAX

Prices quoted include sales tax, and taxes will be included upon invoicing, unless an exemption certificate is furnished by the Client. If tax-exempt, please send a copy of your exemption certificate along with your signed quote.

PAYMENT TERMS

1. The following estimate is valid for 30 days. Payment terms are net due 30 days from invoice date, which is initiated upon shipment and/or fulfillment of service.
2. In the event of project delays due to construction, trades or equipment, the Client is expected to bring payments to a net retainage of 90% of the estimate. The Client is permitted to hold as retainage an amount equal to the value of uncompleted work, damaged or incorrect items.
3. Should Client default in payment of this Contract, charges shall be added from the date of default at the rate of one and one half percent (1 1/2%) per month, (18% per annum).
4. Client agrees to pay a Transaction Convenience fee of three point eight percent (3.8%) of the sell price shown on the proposal (including applicable sales tax) when the method of payment is in any form other than Dew-El Corporation's standard payment methods, which include cash, check, or ACH/direct deposit.

ACCEPTANCE

All sales are final; specified product is non-returnable and non-refundable. Claims for defects, errors or shortages must be made in writing within twenty business days after delivery. Failure to make a claim within such period shall constitute acceptance of the items.

CANCELLATIONS AND CHANGES

To accept the following estimate, drawings, specifications and delivery and installation conditions please sign both below and the last page of the estimate. If a purchase order is required for payment, that order number must be provided at the time of order placement. Any change(s) to an existing order may incur additional fees once the order has been placed. Such charges may include but not limited to; date moves, product changes/deletions, and "ship to" changes. Your signature approves Dew-El Corporation Terms and Conditions stated above.

Terms & Conditions - Interphase Office Interiors, Inc.

Payment Terms

Interphase, Inc. shall make every effort to deliver and install all products as quickly as possible. However, any delivery and/or installation dates quoted to Customer are approximate and the Interphase obligation shall be only to deliver and/or install the products within a reasonable time. Also, due to certain factory shipment schedules, it is possible that Interphase will be able to deliver and install only portions of the job at a time. Therefore, payment shall be made in accordance with the following terms:

1. All prices are FCA manufacturer point of shipment unless otherwise specified.
2. Terms are net 10 days from date of invoice. Customer will be invoiced for items as delivered. In no case is payment to be withheld for acceptable products should any portion of the job be unacceptable or undelivered. If any products are unacceptable or undelivered, the Customer must pay the balance of the invoice within 10 days, but may withhold the lesser amount of 10% of the total invoice or the value of the unacceptable products. The remaining balance is due 10 days after final delivery.
3. All materials are subject to Michigan State Sales Tax or other applicable State Sales Tax.
4. Interphase requires a deposit equaling 50% due at time of order (100% deposit for COM & COL). Said deposit will be applied to Customer's account until such product is delivered and invoiced. Each invoice, less its proportionate share of the deposit, will be due and payable according to the above terms and conditions. Other progress payments, as well as a deposit for delivery and/or installation, may be required throughout the order cycle depending on specific circumstances for each Buyer and order.
5. All orders are subject to credit approval.
6. An order is not cancelable once the order is confirmed by the vendor or manufacturer of the product, regardless of whether such confirmation is provided to Customer. Quick ships and fabric orders are not cancelable.
7. Customer agrees that the seller may pass through to Customer any charges, costs or fees that it incurs as result of Customer paying Seller through use of a credit card, debit card, credit facility or wire fees, and that such passed through charges, costs or fees may be subject to sales or use tax.
8. If Customer is unwilling or unable to accept delivery or installation of the products according to the specified schedule, the products will be stored at Customer's expense. Customer agrees to be invoiced for 100% of the invoice, to be paid within 10 days. In addition, Customer shall pay a warehouse charge payable monthly beginning after 30 days of warehouse storage. Extra handling of product will be charged at our normal hourly rate. This could be a result of Customer's site not being ready or site conditions that impair installation.
9. Interphase retains, and Customer hereby grants to Interphase, a security interest in the products to secure the purchase price therefore. The products shall remain personal property regardless of being fixed to any real property. If Customer defaults in the payment of the purchase price when due, Interphase shall have all rights and remedies granted by the Uniform Commercial Code. A finance charge of 1.5% per month (annual percentage rate 18%) will be charged on all past due balances. Customer shall pay all collection costs and attorney's fees in the event that the debt or any part thereof is referred to a collection agency or attorney.

General Terms

10. The quotation contained herein has been reviewed and approved by an authorized Customer representative for correct product, fabric, finishes and quantities. In addition, Interphase must have the opportunity to physically take its own measurements of the space to assure accuracies of custom ordered products. If actual measurements are not possible and Interphase must order from construction drawings and they are inaccurate, any extra expenses are Customer's responsibility. Any services rendered to Customer to change or modify the specification and layout before or during installation will be charged to Customer at prevailing rates. If such changes or modifications result in additional products, parts, materials or labor, they will be billed to Customer at prevailing rates. A restocking fee, based on product cost and vendor policies, will be assessed on all changes made after acknowledgement date, or for any product cancellations.

Item	Qty.	Product	Unit	Extended
------	------	---------	------	----------

11. Customer acknowledges that the products are manufactured by others. AS BETWEEN CUSTOMER AND INTERPHASE, THE GOODS ARE OTHERWISE "AS IS WHERE IS" WITH ALL FAULTS AND INTERPHASE MAKES NO EXPRESS, IMPLIED OR STATUTORY WARRANTIES, ALL OF WHICH ARE DISCLAIMED AND EXCLUDED BY INTERPHASE INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY, NON-INFRINGEMENT, SUITABILITY FOR A PARTICULAR PURPOSE OR USE, EXCEPT THOSE MADE BY THE MANUFACTURER OF THE PRODUCTS. No third party, including any employee or agent of Interphase, is authorized to make any representation, promise, or warranty concerning the goods and any statements made by those parties are not binding on Interphase unless in writing signed by an authorized representative of Interphase. Any technical advice furnished by Interphase or its employees or agents is for Customer's convenience only and Interphase assumes no obligation or liability for the advice given or the results obtained from that advice. Any claim must be made to Interphase in writing within five (5) days after delivery or installation of the products and if no claim is received by Interphase. Customer will have waived any such claim.

12. No liability shall accrue against Interphase as a result of breach of terms and conditions caused by any strike, act of God, lockout, accident, or delay beyond its control.

13. Merchandise shipped direct to Customer will be the responsibility of Customer except as otherwise agreed in writing. The receiving Customer is responsible to inspect merchandise immediately upon receipt and file any necessary freight claims with freight provider.

Installation & Delivery Terms

14. Delivery and installation charges will be billed to Customer by separate invoice. Delivery and installation charges are not incurred by Customer until such services are provided by Interphase.

15. Change of Scope - Before or during installation, Customer may request additional services outside of the original project scope. A signed Change Order is required before additional services can commence. Layout changes during installation may result in additional product needs that could cause delays in the completion of the furniture installation and may result in additional charges.

16. Floor Protection - Interphase will provide necessary floor protection per building requirements. If other specific or extraordinary protection is needed, Customer must notify Interphase before the work begins.

17. Electrical Work - Unless specifically indicated, electrical work in the following areas is not included:

- a. Electrical Wiring to the Space
- b. Hardwiring of Feeds

Interphase can make arrangements for these services and Interphase will bill Customer accordingly.

18. Delivery - Free and clear access to docks and elevators for deliveries is required. Special arrangements or considerations must be noted prior to accepting the service proposal. Carry up delivery will result in additional charges.

19. Work Environment - Free and clear access to the work site for delivery, staging and installation is required. Electricity, heat, hoisting, lighting and elevator service will be furnished as required without charge to Interphase. Floors covered by this proposal shall be smooth, level and free from debris, and concrete subject to dampness shall be waterproofed prior to delivery and installation of merchandise.

NOTE: Furniture deliveries/installations should not be performed side-by-side with other construction trades. The overlap in building construction and furniture installation increases the potential of additional costs brought about due to the quantity of personnel and equipment with simultaneous deadlines. Any damage caused by other trades will be the Customer's responsibility.

20. Working Hours - Normal delivery and installation services (including drive time) are conducted between the hours of 7:00 AM and 4:00 PM Eastern Time, Monday through Friday, excluding holidays. Services performed times and/or days other than normal may result in additional charges which may or may not include overtime billed at 1.5 times standard billing rates.

21. Staging Areas - Staging areas will be provided by Customer on the same floor and within the workspace.

22. Timeframes - Changes in the number of days allowed to complete the delivery and installation may result in additional charges.

23. Rework Preparation - Workstations, files, drawers, etc. shall be emptied/boxed/clear of space before the arrival of installation crews.

24. Trash Removal - Interphase will remove and discard trash related to the delivery and installation of furniture.

25. Final Cleaning - Interphase will wipe down the installed furniture after installation. Excessive cleaning necessary due to debris and dust by other trades is not included.

Item	Qty.	Product	Unit	Extended
------	------	---------	------	----------

- 26. Punch List - Interphase will provide a project punch list to Customer upon significant completion of the installation.
- 27. Interphase will not be liable for damages not caused by its actions or negligence.
- 28. Insurance – Interphase will carry public liability, worker’s compensation, property damage and automobile/truck insurance. Fire, tornado, earthquake, flood, vehicle, general liability and other causality insurance related to the job site, the product, or the transit of the product will be provided and paid by Customer. Customer shall be solely responsible for insurance coverage for the product from the time ownership passes to Customer, under these Terms and Conditions.

Pricing subject to change daily. A 50% deposit is required at time of order entry.

Memorandum

To: Dr. Steve Matthews, Superintendent
From: Mike Ramm, Assistant Superintendent of Instruction
Date: April 10, 2024
Subject: Edgerton Trail Start Instructional Costs

Dr. Matthews:

I am writing to recommend the approval of startup costs for Edgerton Trails Elementary. Our proposed expenses encompass essential materials to outfit our new specials classrooms, including music, physical education, and art. Additionally, we are seeking funds for the acquisition of books to outfit the new learning commons.

Enclosed, you will find the detailed list of items for each of the identified areas. These lists have been compiled by RPS Specials Teachers and the RPS Library Services Director. The requested budget for outfitting the three specials classrooms and library books totals \$162,000. This amount is inclusive of \$95,000 designated for acquiring books, based on the standard of 15 books per child. Of the \$162,000, \$13,415 is scheduled to be spent out of the general fund, \$53,550 will come from the 2019 bond, and \$95,035 will be allocated from State of Michigan 35J Literacy Grant Funds. The purchases represent outfitting these spaces with materials and resources consistent with the other elementaries in the district. Additionally, I would like to mention that I intend to submit a separate request for STEAM materials in May.

Should the RPS Board of Education approve this recommendation, Allison Clements and I would coordinate the ordering and delivery of the materials listed on the attached documents, though I believe there may be some small changes based on availability of materials. Given the amount of individual items, I am seeking approval of not more than \$162,000 to be used for the startup costs and purchasing as described above. Approval in this way will allow our business department to order as close as possible to the items on the lists, but substitute or replace an item if necessary.

Thank you for your attention to this recommendation. Should you have any questions or require further clarification, please do not hesitate to contact me.

Respectfully,

Mike Ramm

Edgerton Trails Learning Commons

Proposal: To support a highly effective school library, these are some of the characteristics needed.

- a library program that is based on flexible scheduling so that library media specialists and classroom teachers can engage in collaborative planning and delivery of information literacy instruction
- an active instructional program of information literacy integrated into curriculum content and targeted toward learning curriculum content and skills
- a school library that meets resource recommendations of 15-20 books per child
- a budget allocation of \$12-\$15 per student per year to ensure currency and vitality of the information base
- a strong networked information technology infrastructure that facilitates access to and use of information resources in and out of school

We are requesting library books for the learning commons. We have used the numbers below with an average book cost of \$20.00. The request is as follows.

Books:

- 7,200 books at \$20.00 a book for a cost of \$144,000
- This would support 18 books per student

- 3,600 books at \$20.00 a book for a cost of \$72,000
- This would support 9 books per student

- 1,800 books at \$20.00 a book, for a cost of \$36,000
- This would support 4.5 books per student

Considerations:

We have an inner-school library loan system that would help offset any book need as long as the book is not a high-interest book.

Weekly checkout, on a typical week, would have two books per student leaving the library with a total of 800 books leaving the learning commons.

Adding books by phases to support the build-out of the learning commons. Creating a learning commons with high-interest materials and rounding out the space with educationally

Memorandum

To: Dr. Steve Matthews, Superintendent of Schools
From: Allison Clements, Executive Director of Business and Operations
Date: April 11, 2024
Subject: New One to One Devices

Included in the 2019 bond issue scope are new elementary student devices as well as additional staff spare computers.

Proof of concept was presented to the Building and Site committee on March 19, 2024 for review.

The recommendation is to approve the purchase of student and staff devices through the REMC SAVE program in the amount of \$759,610.00 to be funded with proceeds from the 2019 bond.

Bid Review Report

Review Date	March 13, 2024
Selected Bidders	Various through REMC Association of Michigan's statewide contract
Contract	\$759,610.00
Designer Approval	Christopher Meuser
Owner Approval	Allison Clements

IN REVIEW OF BID(S), THE FOLLOWING DUE DILIGENCE WAS PERFORMED:	
A	Investigated pricing with the REMC SAVE program. Found it to be aggressive and competitive with typical education and individual bid pricing for units in modest quantities.
B	Worked to obtain package pricing under the REMC volume purchase contract for all materials required.
C	Worked with the RPS Review team to ensure all materials needed were identified.
D	Verified Chromebooks, Laptops, Operating Systems, Management tools, and warranty options are accounted for as part of the REMC Contract bundles.
E	The Verified Self Maintainer program will be part of the RMEC Contract bundle.
F	Verified the REMC SAVE program meets State competitive bid requirements.
G	The student count for Fall of 2024 will be approximately 2,300 students. There are nine (9) elementary buildings that will require 30 spares per building. To ensure some attrition over the 5 years RPS Technology Department is requesting a total of 2700 Student Chromebooks.
H	Teacher devices will be purchased to cover substitute teachers as well as new teacher hires and laptop damages in the quantity of 120 devices.

Recommendation	Board Motion
	To approve the purchase of student and staff devices through the Michigan REMC SAVE program in the amount of \$759,610.00 to be paid with funds from the 2019 bond proceeds.

RPS Board of Education Curriculum and Instruction Council

March 21, 2024

Meeting Location: Administration Building **Meeting Time:** 7:30 a.m.

Attendance: Mike Ramm, Jarrod Folsom, Kelley Freridge, Sharon Wells, and Tracy Ignasiak (recorder)

Kelley called the meeting to order at 7:35 a.m.

A moment of silence was observed.

Welcome

Mike Ramm welcomed all in attendance and shared the purpose of the Board Curriculum and Instruction Council meetings was to engage the RPS Board of Education (BOE) committee members in updates and inquiry about new and ongoing curriculum and instruction initiatives focused on improving student learning for all.

2023/24 NWEA Winter Benchmark Results

Topic Objective:

- District Results in K-8 Reading and Math
- System Response and Goal Setting Protocol

Details:

Mike Ramm reviewed the winter benchmark testing data with the council. Trends in ELA and math K-9 suggest incremental increases over previous years in most areas. The data has been, and will continue to be, reviewed during the structured early release time providing teachers the ability to respond appropriately in the classroom. The data has been, and will continue to be, reviewed during the structured early release time providing teachers the ability to respond appropriately in the classroom.

DK-5 ELA Curriculum Resource Pilot Summary and Proposal

Topic Objective:

- Update of the Process and Rationale for Reviewing Curriculum Resource
- Piloting Data Results and Resource Recommendation
- 35J MDE Literacy Grant Requirements and Application

Details:

Sharon Wells updated the council on the elementary literacy curriculum review process, previously discussed at the February 2024 Curriculum and Instructional Council meeting. She was pleased to inform the council that, after 2+ months of comprehensive evidence gathering through the pilot process, the district's Science of Reading team came to a consensus to recommend the adoption of a curriculum called CKLA. Sharon shared evidence of the thorough curriculum resource review process.

In a situation of good timing, the MDE has released an application for a literacy grant titled 35j and it is specifically identified to improve literacy instructional practices. Our district has applied for the grant and we would be able to use the funding to purchase a portion of the CKLA curriculum, in addition to providing professional development for all DK-5 district teachers, principals and instructional coaches. The amount awarded to our district has yet to be communicated. Mike will bring a recommendation to purchase CKLA to the Board of Education in April and share any update to the district securing funds through the 35J grant.

Student Device Management and Filtering Update

Topic Objective:

- Review of Student Device Management Procedures and Considerations
- Review of Device Filtering Characteristics and District Adjustments

Details:

Previously, the district has fielded some feedback from a few community members about filtering restrictions on school computers. Mike Ramm shared with the council that the district's current website filter was recently reviewed by a third party to get an objective measure and their opinion was that our level of restriction met CIPA (Children's Internet Protection Act) and when compared to districts around the state, suitable. In an effort to be thorough, the district's IT department is currently researching other filtering vendors so cost benefit decisions may be considered.

As a second response, filter adjustments to Youtube have been increased at the elementary and middle school levels and the change will be monitored. This new filter is intended to limit student opportunity for viewing videos not aligned with instructional content and the change also provides teachers the right to override a filter, if deemed necessary for instructional purposes.

Jarrod moved and Kelley supported the approval of the minutes from December 2023 and February 2024.

The meeting was adjourned at 8:55 a.m.

Rockford Public Schools

BOARD BUILDING AND SITE COMMITTEE MEETING

Tuesday, March 19, 2024

The meeting began at 7:30a.m. Present were: Nick Reichenbach, Barb Helms, Tricia Anderson, Allison Clements, and Kim Jakubiak. Guests: Jared Gauss, Jeremy Amshey, Bob Stull, Shawn Hayward, Dr. Steve Matthews and Chris Mueser.

Nick Reichenbach called the meeting to order. Barb Helms motioned to approved the agenda.

Approval of Previous Meeting Minutes

Barb Helms motioned to approve previous minutes.

Elementary Chromebooks and Teacher Devices

What: Elementary chromebooks for students and teacher laptops.

Purpose: To update elementary one to one devices and teacher device purchase.

Details:

- The proposal is for 2700 new chromebooks and 120 Teacher devices
- REMC pricing includes white glove setup for each chromebook.

Digital Signage Bid Package Review

What: Interior digital signage throughout the district

Purpose: To consolidate and streamline digital signage across the district

Details:

- Several companies attended the pre-bid meeting.
- Currently internal digital signage is at the secondary buildings. This proposal adds the elementary buildings as well as upgrading the existing system.
- Recommending the proposal from Division 16 Technologies.

Review of Valley View Bus Loop and Parking Bid Package

What: Valley View bus loop and parking bid package.

Purpose: Refresh asphalt and remove portables.

Details:

- The refresh includes some modifications to the bus loop and parking lot which should relieve the traffic congestion during parent pick up and drop off.
- Representatives met with the City of Rockford and shared the refresh concept and anticipated traffic flow benefits.

Valley View Carpet Project

What: Replacement of flooring at Valley View.

Purpose: Replace worn flooring before next school year.

Details:

- Going out for bid on March 26th
- Timing the carpet replacement over the summer to coordinate with the furniture installation.

Other

What: Water sewer agreement update.

- Agreement with the HOA is in the process of being finalized.

With no further items for discussion, the meeting adjourned at 8:19 am.
