TIME**

DISCUSSION TOPICS

- What steps can I take at home to keep my kids safe while they are online?
- What popular apps are our kids using and are they safe?
- What apps are traffickers and other predators using to contact our children and what are their tactics?
- What are the laws in Michigan when it comes to sexting and sextortion?
- What is the Michigan Child Protection Registry and how does it work?
- How can I assist in getting this important information out to more people?
