## Memorandum

To: Rockford Public Schools Board of Education

From: Dr. Steve Matthews, Superintendent

Date: January 13, 2025

Subject: January School Board Recognition Month

Today, January 13<sup>th</sup>, is a big day. It is National Korean American Day, National Sticker Day, and National Clean off your desk day.

But, recognizing important days/events/people is kind of a thing in January. There was Fruitcake Toss Day on January 3, National Spaghetti Day on January 4, and Peculiar People Day on January 10. There will be Appreciate a Dragon Day on January 16, National Popcorn Day on January 19, and Yodel for Your Neighbors Day on January 30<sup>th</sup>.

But, seriously, we also celebrate some important things in January. We celebrate the start of a new calendar year. We celebrate and honor Martin Luther King Jr. on Monday, January 20, 2025.

And tonight, we also take a moment to celebrate School Board Recognition Month. Each January, the over 600 school districts in Michigan take time to recognize and thank the people who serve our communities as Board of Education trustees. In the Rockford Public Schools, we have seven members duly elected by our community to serve our community and oversee the policy and governance of our school district.

Our Board of Education has historically served without remuneration, ensuring that all community voices are represented and heard in our board meetings. The Board's own guiding documents identify that the board's focus is on policy, oversight an accountability, community representation, and establishing the district's vision, mission, and strategic plan.

Tonight, we would like to thank Jarrod Folsom, Kelley Freridge, Christie Ramsey, Jake Himmelspach, Tricia Anderson, Barbara Helms, and Andrea Jacobson for serving our community. Your sacrifice is appreciated by our students, families, and staff.

## Memorandum

To: Board of Education Trustees  
From: Dr. Korie Wilson-Crawford, Assistant Superintendent of Human Resources  
Date: January 9, 2025  
Subject: Cabinet Salary Schedules

---

Attached to this memo you will find salary schedules for the positions of Technology Staff and Central Office Support Assistants (not covered by the RESPA agreement.) As discussed last our last meeting, the need to approve these salary schedules is precipitated by a Michigan Supreme Court opinion regarding calculations for salaries and coordination with the Office of Retirement Services (ORS) and the Michigan Public School Employee's Retirement System (MPSERS).

Again, the opinion holds the following:

- NSI (normal salary index) calculations are unlawful because the ORS does not have the legal authority to create salary schedules for individuals.
- A salary schedule could and should exist for employes whose roles are outside of collective bargaining unit agreements.
- NSI is not defined in state law so the court provided a definition as follows: " a written document established by statute or approved by a reporting unit's governing body that indicates the time and sequence of compensation and conforms to a rule or principle."

Because of this, MASA and professional organizations that deal with school employment are recommending that the district's Board of Education approve salary or wage grids for a variety of positions that could fall within the bullets above.

If you have any questions, please let me know. I plan to bring additional wage scales for your consideration in February to ensure that all of our employees are covered.

To: Steve Matthews Ph.D., Superintendent  
From: Mike Ramm, Assistant Superintendent of Instruction

Subject: Purchase of Student Furniture for Crestwood Elementary

---

Dr. Matthews,

I am pleased to inform you that Rockford Public Schools is continuing to make progress at updating furniture throughout our district. As you recall, the furniture purchase is part of the 2019 Bond to enhance district learning environments.

To date, seven of our district's nine elementary schools have been fully equipped with new student furniture with the anticipation of completing Crestwood Elementary in the spring of 2025 and Roguewood Elementary in the summer of 2025. Our district has worked effectively to allocate excess furniture from the original seven schools to Crestwood Elementary with the intent of identifying and ordering the student furniture necessary to outfit the current classrooms. Estimates for the remaining classrooms at Crestwood Elementary are included in this approval request with the anticipation of installation during Spring Break in April 2025.

The budget proposal total for the classroom completion of student furniture at Crestwood Elementary is \$469,883.03 and details are outlined in the attached packets.

At Monday's meeting we will be seeking board approval of the budget to move forward. If you have any questions or require further information, please do not hesitate to contact me.

Thank you,

Mike Ramm

# QUOTATION

# 3284-28736

VALID UNTIL 1/10/2025

Dew-El Corporation would like to thank you for the opportunity to quote your furniture needs. The attached proposal outlines the specifications and pricing based on the information provided. By signing and returning this quote, you agree to be bound by the terms and conditions contained herein which shall become the fully integrated agreement between you, the Client, and Dew-El Corporation.

## DELIVERY AND INSTALLATION

1. Delivery/installation services are performed during normal business hours Monday through Friday 8:00am to 5:00pm unless otherwise specified; Client may incur additional charges for services performed after hours and/or weekends. All labor is quoted as a single-phase installation unless noted otherwise. If additional trips or phases are required due to the Client not being prepared for delivery or the site not being ready, it may result in added cost to the labor quote. Product will be delivered and installed on a mutually agreed upon date. All available spaces must be ready for furniture; installation of all carpet, painting, lighting, and ceiling tiles must be completed. If delivery and/or installation are requested by the Client to an uncompleted space, Client accepts responsibility for any damage to or theft of the product. The Client may request partial delivery and/or installation when placing the order. If so, the Client agrees to both take delivery and pay for all delivered items on a partial basis.
2. Prior to the installation, Dew-El Corporation is to be informed of the following guidelines or restrictions for proper access to the building: dock accessibility, sidewalks, parking lots, elevator access above the first floor, time restrictions, security checks or any safety requirements needed for access to your facility during the time of the installation. Any notification that delivery and/or installation cannot be accepted must be communicated to Dew-El Corporation no later than 12:00pm on the business day prior to the scheduled delivery and/or installation date. Dew-El Corporation requests product to be shipped by our manufacturers according to customer needs. If a Client has requested product to be installed by a specific date, Dew-El Corporation will work with the manufacturer to have all product received in time for the installation date requested by the customer. Dew-El Corporation shall not be held liable for manufacturing/delivery delays outside of Dew-El Corporation's control. If for any reason the customer delays the original installation date, Dew-El Corporation reserves the right to invoice for all product shipped according to the customer requested delivery date.

## SALES TAX

Prices quoted include sales tax, and taxes will be included upon invoicing, unless an exemption certificate is furnished by the Client. If tax-exempt, please send a copy of your exemption certificate along with your signed quote.

## PAYMENT TERMS

1. The following estimate is valid for 30 days. Payment terms are net due 30 days from invoice date, which is initiated upon shipment and/or fulfillment of service.
2. In the event of project delays due to construction, trades or equipment, the Client is expected to bring payments to a net retainage of 90% of the estimate. The Client is permitted to hold as retainage an amount equal to the value of uncompleted work, damaged or incorrect items.
3. Should Client default in payment of this Contract, charges shall be added from the date of default at the rate of one and one half percent (1 1/2%) per month, (18% per annum).
4. Client agrees to pay a Transaction Convenience fee of three point eight percent (3.8%) of the sell price shown on the proposal (including applicable sales tax) when the method of payment is in any form other than Dew-El Corporation's standard payment methods, which include cash, check, or ACH/direct deposit.

**Terms & Conditions - Interphase Office Interiors, Inc.**

**Payment Terms**

Interphase, Inc. shall make every effort to deliver and install all products as quickly as possible. However, any delivery and/or installation dates quoted to Customer are approximate and the Interphase obligation shall be only to deliver and/or install the products within a reasonable time. Also, due to certain factory shipment schedules, it is possible that Interphase will be able to deliver and install only portions of the job at a time. Therefore, payment shall be made in accordance with the following terms:

1. All prices are FCA manufacturer point of shipment unless otherwise specified.
2. Terms are net 10 days from date of invoice. Customer will be invoiced for items as delivered. In no case is payment to be withheld for acceptable products should any portion of the job be unacceptable or undelivered. If any products are unacceptable or undelivered, the Customer must pay the balance of the invoice within 10 days, but may withhold the lesser amount of 10% of the total invoice or the value of the unacceptable products. The remaining balance is due 10 days after final delivery.
3. All materials are subject to Michigan State Sales Tax or other applicable State Sales Tax.
4. Interphase requires a deposit equaling 50% due at time of order (100% deposit for COM & COL). Said deposit will be applied to Customer's account until such product is delivered and invoiced. Each invoice, less its proportionate share of the deposit, will be due and payable according to the above terms and conditions. Other progress payments, as well as a deposit for delivery and/or installation, may be required throughout the order cycle depending on specific circumstances for each Buyer and order.
5. All orders are subject to credit approval.
6. An order is not cancelable once the order is confirmed by the vendor or manufacturer of the product, regardless of whether such confirmation is provided to Customer. Quick ships and fabric orders are not cancelable.
7. Customer agrees that the seller may pass through to Customer any charges, costs or fees that it incurs as result of Customer paying Seller through use of a credit card, debit card, credit facility or wire fees, and that such passed through charges, costs or fees may be subject to sales or use tax.
8. If Customer is unwilling or unable to accept delivery or installation of the products according to the specified schedule, the products will be stored at Customer's expense. Customer agrees to be invoiced for 100% of the invoice, to be paid within 10 days. In addition, Customer shall pay a warehouse charge payable monthly beginning after 30 days of warehouse storage. Extra handling of product will be charged at our normal hourly rate. This could be a result of Customer's site not being ready or site conditions that impair installation.
9. Interphase retains, and Customer hereby grants to Interphase, a security interest in the products to secure the purchase price therefore. The products shall remain personal property regardless of being fixed to any real property. If Customer defaults in the payment of the purchase price when due, Interphase shall have all rights and remedies granted by the Uniform Commercial Code. A finance charge of 1.5% per month (annual percentage rate 18%) will be charged on all past due balances. Customer shall pay all collection costs and attorney's fees in the event that the debt or any part thereof is referred to a collection agency or attorney.

**General Terms**

10. The quotation contained herein has been reviewed and approved by an authorized Customer representative for correct product, fabric, finishes and quantities. In addition, Interphase must have the opportunity to physically take its own measurements of the space to assure accuracies of custom ordered products. If actual measurements are not possible and Interphase must order from construction drawings and they are inaccurate, any extra expenses are Customer's responsibility. Any services rendered to Customer to change or modify the specification and layout before or during installation will be charged to Customer at prevailing rates. If such changes or modifications result in additional products, parts, materials or labor, they will be billed to Customer at prevailing rates. A restocking fee, based on product cost and vendor policies, will be assessed on all changes made after acknowledgement date, or for any product cancellations.

11. Customer acknowledges that the products are manufactured by others. AS BETWEEN CUSTOMER AND INTERPHASE, THE GOODS ARE OTHERWISE "AS IS WHERE IS" WITH ALL FAULTS AND INTERPHASE MAKES NO EXPRESS, IMPLIED OR STATUTORY WARRANTIES, ALL OF WHICH ARE DISCLAIMED AND EXCLUDED BY INTERPHASE INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY, NON-INFRINGEMENT, SUITABILITY FOR A PARTICULAR PURPOSE OR USE, EXCEPT THOSE MADE BY THE MANUFACTURER OF THE PRODUCTS. No third party, including any employee or agent of Interphase, is authorized to make any representation, promise, or warranty concerning the goods and any statements made by those parties are not binding on Interphase unless in writing signed by an authorized representative of Interphase. Any technical advice furnished by Interphase or its employees or agents is for Customer's convenience only and Interphase assumes no obligation or liability for the advice given or the results obtained from that advice. Any claim must be made to Interphase in writing within five (5) days after delivery or installation of the products and if no claim is received by Interphase. Customer will have waived any such claim.

12. No liability shall accrue against Interphase as a result of breach of terms and conditions caused by any strike, act of God, lockout, accident, or delay beyond its control.

13. Merchandise shipped direct to Customer will be the responsibility of Customer except as otherwise agreed in writing. The receiving Customer is responsible to inspect merchandise immediately upon receipt and file any necessary freight claims with freight provider.

**Installation & Delivery Terms**

14. Delivery and installation charges will be billed to Customer by separate invoice. Delivery and installation charges are not incurred by Customer until such services are provided by Interphase.

15. Change of Scope - Before or during installation, Customer may request additional services outside of the original project scope. A signed Change Order is required before additional services can commence. Layout changes during installation may result in additional product needs that could cause delays in the completion of the furniture installation and may result in additional charges.

16. Floor Protection - Interphase will provide necessary floor protection per building requirements. If other specific or extraordinary protection is needed, Customer must notify Interphase before the work begins.

17. Electrical Work - Unless specifically indicated, electrical work in the following areas is not included:

- a. Electrical Wiring to the Space
- b. Hardwiring of Feeds

Interphase can make arrangements for these services and Interphase will bill Customer accordingly.

18. Delivery - Free and clear access to docks and elevators for deliveries is required. Special arrangements or considerations must be noted prior to accepting the service proposal. Carry up delivery will result in additional charges.

19. Work Environment - Free and clear access to the work site for delivery, staging and installation is required. Electricity, heat, hoisting, lighting and elevator service will be furnished as required without charge to Interphase. Floors covered by this proposal shall be smooth, level and free from debris, and concrete subject to dampness shall be waterproofed prior to delivery and installation of merchandise.

NOTE: Furniture deliveries/installations should not be performed side-by-side with other construction trades. The overlap in building construction and furniture installation increases the potential of additional costs brought about due to the quantity of personnel and equipment with simultaneous deadlines. Any damage caused by other trades will be the Customer's responsibility.

20. Working Hours - Normal delivery and installation services (including drive time) are conducted between the hours of 7:00 AM and 4:00 PM Eastern Time, Monday through Friday, excluding holidays. Services performed times and/or days other than normal may result in additional charges which may or may not include overtime billed at 1.5 times standard billing rates.

21. Staging Areas - Staging areas will be provided by Customer on the same floor and within the workspace.

22. Timeframes - Changes in the number of days allowed to complete the delivery and installation may result in additional charges.

23. Rework Preparation - Workstations, files, drawers, etc. shall be emptied/boxed/clear of space before the arrival of installation crews.

24. Trash Removal - Interphase will remove and discard trash related to the delivery and installation of furniture.

25. Final Cleaning - Interphase will wipe down the installed furniture after installation. Excessive cleaning necessary due to debris and dust by other trades is not included.

Ite	Qty.	Product	Price	
			Unit	Extended

26. Punch List - Interphase will provide a project punch list to Customer upon significant completion of the installation.

27. Interphase will not be liable for damages not caused by its actions or negligence.

28. Insurance – Interphase will carry public liability, worker’s compensation, property damage and automobile/truck insurance. Fire, tornado, earthquake, flood, vehicle, general liability and other causality insurance related to the job site, the product, or the transit of the product will be provided and paid by Customer. Customer shall be solely responsible for insurance coverage for the product from the time ownership passes to Customer, under these Terms and Conditions.
