## Memorandum

To: Dr. Steve Matthews, Superintendent of Schools  
From: Allison Clements, Assistant Superintendent of Business and Operations  
Date: February 10, 2025  
Subject: Petition to Strike Delinquent Taxes from the Tax Rolls

---

Rockford Public Schools has received requests from the City of Rockford, Plainfield Township, and Courtland Township to strike personal taxes from their property tax rolls. These taxes have been delinquent for over five years and remain uncollectible. Our attorney recommends Board action be taken on such matters.

The total amount uncollectible applying to Rockford Public Schools equals \$731.72.

Should we receive additional petitions from other governmental units in the new future, I am also requesting approval from the Board to proceed accordingly in the same process.

The recommendation to the Board of Education is approval to strike delinquent taxes on Monday, February 10, 2025.

# CITY OF ROCKFORD

Tammy Bergstrom, Mayor

Thad M. Beard, City Manager

7 S. Monroe St. Rockford, Michigan 49341 T 616-866-1537 F 616-866-6406 [www.rockford.mi.us](http://www.rockford.mi.us)

January 20, 2025

## **STATEMENT OF ATTEMPT TO COLLECT DELINQUENT PERSONAL PROPERTY TAXES**

In accordance with Section 211.56A of the tax law, personal property taxes, which have been delinquent for five years or more, shall be stricken from the tax rolls.

As Deputy Treasurer of the City of Rockford, I, and my predecessors in office, have exercised due diligence in an effort to collect the personal property taxes listed in the reports attached to this Statement. These efforts have included sending multiple past-due tax notices, the placing of telephone calls, and personal collection visits, to the persons and/or businesses contained in said tax reports.

To the best of my knowledge and information, the personal property taxes listed in these reports are, and remain, uncollectible, and should be stricken from the tax roll.

Deb Brunett, MiCPT  
Deputy Treasurer

## STATEMENT OF ATTEMPT TO COLLECT DELINQUENT PERSONAL PROPERTY TAXES

In accordance with Section 211.56A of the tax law, personal property taxes which have been delinquent for five years or more shall be stricken from the tax rolls.

As Treasurer of the Township of Plainfield, I and my predecessors in office have exercised due diligence in an effort to collect the personal property taxes listed in the Tax Report attached to this statement. These efforts have included sending multiple past due notices, telephone calls and personal collection visits to the persons and/or businesses and small claims cases.

To the best of my knowledge and information, the personal property taxes listed in this report are, and remain uncollectable and should be stricken from the tax roll.

I have enclosed a "Waiver and Consent" regarding the 2019 and prior year's personal property taxes. Please obtain the necessary approval for execution of the enclosed Waiver and Consent form and **return the ORIGINAL COPY to my attention no later than March 1, 2025 or at your earliest convenience.**

Thank you very much for your prompt attention to this matter.

Sincerely,

Jack Hagedorn,  
Plainfield Township Treasurer

## SCHOOLS OF CHOICE RESOLUTIONS

### OPT OUT OF SECTION 105

Motion was made by \_\_\_\_\_, supported by \_\_\_\_\_, that the Board of Education exercise the option permitted by Section 105 of the State School Aid Act of 1979, as amended by Public Act 300 of 1996, to not accept Section 105 applications of non-resident students from outside our district, for purposes of operating an intermediate school district-wide schools of choice program in accordance with Section 105 for the 2024-25 school year.

### OPT INTO SECTION 105C

Motion was made by \_\_\_\_\_, supported by \_\_\_\_\_, that the Board of Education exercise the option permitted by Section 105c of the State School Aid Act, Public Act 119 of 1999, as amended by Public Act 297 of 2000, to accept applications for enrollment of residents of contiguous intermediate school districts beginning with the 2025-26 school year under Section 105c.

### OPT INTO THE KENT ISD COLLABORATIVE SCHOOLS OF CHOICE PROGRAM

Motion was made by \_\_\_\_\_, supported by \_\_\_\_\_, that the Board of Education will participate in the Kent Intermediate School District Collaborative Schools of Choice Program for the 2024-25 school year.

Roll call vote was taken separately on each motion. All motions carried unanimously.

### BOARD OF EDUCATION ROCKFORD PUBLIC SCHOOLS

By \_\_\_\_\_  
Christie Ramsey, Secretary

Date: \_\_\_\_\_ January 13, 2025

## Memorandum

To: Dr. Steve Matthews, Superintendent of Schools  
From: Allison Clements, Assistant Superintendent of Business and Operations  
Date: February 10, 2025  
Subject: Bus Purchase-

---

Building on Rams XII Pillar 5.C.2, Modernizing Infrastructure, Rockford Public Schools continues to invest in the District's fleet of school buses. The May 2019 bond proposal includes the annual replacement of a portion of the school bus fleet over a 10-year period.

Quotes from three vendors are attached. Hoekstra provided the lowest quote and is consistent with the bus fleet. Based on an assessment of our current fleet, the recommendation is to purchase seven 71-passenger buses from Hoekstra.

The bid information was presented to the Building and Site Committee on January 30, 2025. The recommendation is to approve the purchase from Hoekstra at a cost of \$968,170 to be paid for with the proceeds from the 2019 Bond.

## Memorandum

To: Dr. Steve Matthews, Superintendent of Schools  
From: Allison Clements, Assistant Superintendent of Business and Operations  
Date: February 10, 2025  
Subject: District Network Switch Bid Summary

---

The district continues to add many new network devices to support building renovations and expansion. These new devices include cameras, access to control doors, WI-FI coverage, lighting, clocks, public address and building management. In accordance with Rams XII Pillar 5.C.1, Planning for the Future, these additions will require a higher demand of Power over Ethernet.

The proposed network renovations will enhance reliability, ensuring devices receive the necessary power for operation. A unified platform will improve management, security, and allow RPS Technology support to work more efficiently, ultimately boosting performance and reliability for district systems.

The bid summary was presented to the Building and Site Committee on January 30, 2025. The recommendation is to approve the bid from Sentinel Technologies for \$941,032.83 for the district wide network upgrades to be paid out of 2019 bond proceeds.

**ATC/jg**

Attachment

OCKFORD PUBLIC SCHOOLS -  
 DISTRICT WIDE NETWORK UPGRADES  
 Issued: October 24, 2024  
 Opened: November 25, 2024

## Bid Review Report

Review Date	December 20, 2024
Selected Bidders	Sentinel Technologies
Contract	\$941,032.83 (\$1,298,532.83 less Voluntary Alternate Deduct of \$357,500.00)
Designer Approval	Christopher Meuser
Owner Approval	Allison Clements

IN REVIEW OF BID(S), THE FOLLOWING DUE DILIGENCE WAS PERFORMED:	
A	Reviewed bids for compliance with specifications and contract provisions.
B	Conducted post-bid interviews. Requested and received bid clarifications from bidders on December 11, 2024.
C	The review team (Bob Stull, William Pribble, and Communications By Design) conducted independent equipment reviews using manufacturer websites and other resources.
D	Contacted reference accounts to inquire about their overall experience, product workmanship, contractor competence and performance, warranty compliance, and overall satisfaction.
E	Reviewed proposals for alternate device switch models. One proposed alternate switch model was determined to be the model installed at Edgerton Trails Elementary. The proposed alternate will provide consistency across the district. The consensus of the review team is to accept the alternate device switch model for savings.
F	Reviewed proposals for warranty alternates. The consensus of the review team is to accept the 5-year warranty alternate.

Recommendation	Board Motion
	To approve contract with Sentinel Technologies of Downers Grove, Illinois in the amount of \$941,032.83 for District Wide Network Upgrades to be paid with funds from the 2019 bond proceeds. <b>(Federal eRate reimbursement funds will be used to subsidize the cost).</b>

## Memorandum

To: Steve Matthews Ph.D., Superintendent  
From: Mike Ramm, Assistant Superintendent of Instruction  
Date: February 5, 2025  
Subject: Purchase of Student Furniture for Roguewood Elementary

---

Dr. Matthews,

I am pleased to inform you that Rockford Public Schools is continuing to make progress at updating furniture throughout our district. As you recall, the furniture purchase is part of the 2019 Bond to enhance district learning environments.

To date, seven of our district's nine elementary schools have been fully equipped with new student furniture. Furniture installation at Crestwood Elementary is scheduled during spring break with the anticipation of furniture installation at Roguewood Elementary in June of 2025.

The budget proposal total for the classroom furniture at Roguewood Elementary is \$817,788.22 and details are outlined in the attached packets. After Roguewood's installation this June, all elementary buildings in our district will have updated classroom sets of furniture.

Given that the elementary project is nearing completion, the district is moving forward to outfit the core classrooms (math, ELA, science and social studies) at both ERMS and NRMS. Piloting has also occurred in the secondary buildings and a standard classroom set has been determined for all core classrooms. The budget proposal for classroom furniture at ERMS and NRMS is \$733,371.99 and details are outlined in the attached packets. The Custer quote for the core classroom furniture for both middle schools has not yet been made available to the district so this total does not include the cost of the furniture provided by Custer.

In March, a second proposal will be submitted for elective classrooms at both middle schools, as well as the core classroom furniture for both middle schools from Custer. The installations at the middle schools will occur during this summer and Rockford Freshman Center and Rockford High School are scheduled to receive new classroom furniture in the summer of 2026.

At Monday's meeting we will be seeking board approval of the budget to move forward. If you have any questions or require further information, please do not hesitate to contact me.

Thank you,

Mike Ramm

Quotes are subject to the Terms and Conditions found on our website [custerinc.com/terms](http://custerinc.com/terms).

These terms are considered to be the most recent and take precedent over any other previously written or implied terms. By proceeding, you acknowledge that you have read and agree to the terms.

Job site will be clean and clear of all obstructions prior to installation. Buyer will provide adequate facilities and space for unloading, staging, moving, handling and storing product at job site. Buyer will furnish electrical current, heating, lighting, and elevator service at job site without charge to Seller. If the job site is not available on the mutually agreed upon customer required date, charges will be assessed to the Buyer for additional handling or redirecting of product at standard hourly rates or actual charges if performed by a third party. Any special packaging, handling, or storage at other than Seller's warehouse that is required, but that had not been provided in the quotation, will be invoiced to Buyer.

# QUOTATION

# 3306-28761

VALID UNTIL 2/5/2025

Dew-El Corporation would like to thank you for the opportunity to quote your furniture needs. The attached proposal outlines the specifications and pricing based on the information provided. By signing and returning this quote, you agree to be bound by the terms and conditions contained herein which shall become the fully integrated agreement between you, the Client, and Dew-El Corporation.

## DELIVERY AND INSTALLATION

1. Delivery/installation services are performed during normal business hours Monday through Friday 8:00am to 5:00pm unless otherwise specified; Client may incur additional charges for services performed after hours and/or weekends. All labor is quoted as a single-phase installation unless noted otherwise. If additional trips or phases are required due to the Client not being prepared for delivery or the site not being ready, it may result in added cost to the labor quote. Product will be delivered and installed on a mutually agreed upon date. All available spaces must be ready for furniture; installation of all carpet, painting, lighting, and ceiling tiles must be completed. If delivery and/or installation are requested by the Client to an uncompleted space, Client accepts responsibility for any damage to or theft of the product. The Client may request partial delivery and/or installation when placing the order. If so, the Client agrees to both take delivery and pay for all delivered items on a partial basis.
2. Prior to the installation, Dew-El Corporation is to be informed of the following guidelines or restrictions for proper access to the building: dock accessibility, sidewalks, parking lots, elevator access above the first floor, time restrictions, security checks or any safety requirements needed for access to your facility during the time of the installation. Any notification that delivery and/or installation cannot be accepted must be communicated to Dew-El Corporation no later than 12:00pm on the business day prior to the scheduled delivery and/or installation date. Dew-El Corporation requests product to be shipped by our manufacturers according to customer needs. If a Client has requested product to be installed by a specific date, Dew-El Corporation will work with the manufacturer to have all product received in time for the installation date requested by the customer. Dew-El Corporation shall not be held liable for manufacturing/delivery delays outside of Dew-El Corporation's control. If for any reason the customer delays the original installation date, Dew-El Corporation reserves the right to invoice for all product shipped according to the customer requested delivery date.

## SALES TAX

Prices quoted include sales tax, and taxes will be included upon invoicing, unless an exemption certificate is furnished by the Client. If tax-exempt, please send a copy of your exemption certificate along with your signed quote.

## PAYMENT TERMS

1. The following estimate is valid for 30 days. Payment terms are net due 30 days from invoice date, which is initiated upon shipment and/or fulfillment of service.
2. In the event of project delays due to construction, trades or equipment, the Client is expected to bring payments to a net retainage of 90% of the estimate. The Client is permitted to hold as retainage an amount equal to the value of uncompleted work, damaged or incorrect items.
3. Should Client default in payment of this Contract, charges shall be added from the date of default at the rate of one and one half percent (1 1/2%) per month, (18% per annum).
4. Client agrees to pay a Transaction Convenience fee of three point eight percent (3.8%) of the sell price shown on the proposal (including applicable sales tax) when the method of payment is in any form other than Dew-El Corporation's standard payment methods, which include cash, check, or ACH/direct deposit.

## ACCEPTANCE

All sales are final; specified product is non-returnable and non-refundable. Claims for defects, errors or shortages must be made in writing within twenty business days after delivery. Failure to make a claim within such period shall constitute acceptance of the items.

## CANCELLATIONS AND CHANGES

To accept the following estimate, drawings, specifications and delivery and installation conditions please sign both below and the last page of the estimate. If a purchase order is required for payment, that order number must be provided at the time of order placement. Any change(s) to an existing order may incur additional fees once the order has been placed. Such charges may include but not limited to; date moves, product changes/deletions, and "ship to" changes. Your signature approves Dew-El Corporation Terms and Conditions stated above.

**Terms & Conditions - Interphase Office Interiors, Inc.**

**Payment Terms**

Interphase, Inc. shall make every effort to deliver and install all products as quickly as possible. However, any delivery and/or installation dates quoted to Customer are approximate and the Interphase obligation shall be only to deliver and/or install the products within a reasonable time. Also, due to certain factory shipment schedules, it is possible that Interphase will be able to deliver and install only portions of the job at a time. Therefore, payment shall be made in accordance with the following terms:

1. All prices are FCA manufacturer point of shipment unless otherwise specified.
2. Terms are net 10 days from date of invoice. Customer will be invoiced for items as delivered. In no case is payment to be withheld for acceptable products should any portion of the job be unacceptable or undelivered. If any products are unacceptable or undelivered, the Customer must pay the balance of the invoice within 10 days, but may withhold the lesser amount of 10% of the total invoice or the value of the unacceptable products. The remaining balance is due 10 days after final delivery.
3. All materials are subject to Michigan State Sales Tax or other applicable State Sales Tax.
4. Interphase requires a deposit equaling 50% due at time of order (100% deposit for COM & COL). Said deposit will be applied to Customer's account until such product is delivered and invoiced. Each invoice, less its proportionate share of the deposit, will be due and payable according to the above terms and conditions. Other progress payments, as well as a deposit for delivery and/or installation, may be required throughout the order cycle depending on specific circumstances for each Buyer and order.
5. All orders are subject to credit approval.
6. An order is not cancelable once the order is confirmed by the vendor or manufacturer of the product, regardless of whether such confirmation is provided to Customer. Quick ships and fabric orders are not cancelable.
7. Customer agrees that the seller may pass through to Customer any charges, costs or fees that it incurs as result of Customer paying Seller through use of a credit card, debit card, credit facility or wire fees, and that such passed through charges, costs or fees may be subject to sales or use tax.
8. If Customer is unwilling or unable to accept delivery or installation of the products according to the specified schedule, the products will be stored at Customer's expense. Customer agrees to be invoiced for 100% of the invoice, to be paid within 10 days. In addition, Customer shall pay a warehouse charge payable monthly beginning after 30 days of warehouse storage. Extra handling of product will be charged at our normal hourly rate. This could be a result of Customer's site not being ready or site conditions that impair installation.
9. Interphase retains, and Customer hereby grants to Interphase, a security interest in the products to secure the purchase price therefore. The products shall remain personal property regardless of being fixed to any real property. If Customer defaults in the payment of the purchase price when due, Interphase shall have all rights and remedies granted by the Uniform Commercial Code. A finance charge of 1.5% per month (annual percentage rate 18%) will be charged on all past due balances. Customer shall pay all collection costs and attorney's fees in the event that the debt or any part thereof is referred to a collection agency or attorney.

**General Terms**

Ite	Qty.	Product	Price	
			Unit	Extended

10. The quotation contained herein has been reviewed and approved by an authorized Customer representative for correct product, fabric, finishes and quantities. In addition, Interphase must have the opportunity to physically take its own measurements of the space to assure accuracies of custom ordered products. If actual measurements are not possible and Interphase must order from construction drawings and they are inaccurate, any extra expenses are Customer's responsibility. Any services rendered to Customer to change or modify the specification and layout before or during installation will be charged to Customer at prevailing rates. If such changes or modifications result in additional products, parts, materials or labor, they will be billed to Customer at prevailing rates. A restocking fee, based on product cost and vendor policies, will be assessed on all changes made after acknowledgement date, or for any product cancellations.

11. Customer acknowledges that the products are manufactured by others. AS BETWEEN CUSTOMER AND INTERPHASE, THE GOODS ARE OTHERWISE "AS IS WHERE IS" WITH ALL FAULTS AND INTERPHASE MAKES NO EXPRESS, IMPLIED OR STATUTORY WARRANTIES, ALL OF WHICH ARE DISCLAIMED AND EXCLUDED BY INTERPHASE INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY, NON-INFRINGEMENT, SUITABILITY FOR A PARTICULAR PURPOSE OR USE, EXCEPT THOSE MADE BY THE MANUFACTURER OF THE PRODUCTS. No third party, including any employee or agent of Interphase, is authorized to make any representation, promise, or warranty concerning the goods and any statements made by those parties are not binding on Interphase unless in writing signed by an authorized representative of Interphase. Any technical advice furnished by Interphase or its employees or agents is for Customer's convenience only and Interphase assumes no obligation or liability for the advice given or the results obtained from that advice. Any claim must be made to Interphase in writing within five (5) days after delivery or installation of the products and if no claim is received by Interphase. Customer will have waived any such claim.

12. No liability shall accrue against Interphase as a result of breach of terms and conditions caused by any strike, act of God, lockout, accident, or delay beyond its control.

13. Merchandise shipped direct to Customer will be the responsibility of Customer except as otherwise agreed in writing. The receiving Customer is responsible to inspect merchandise immediately upon receipt and file any necessary freight claims with freight provider.

**Installation & Delivery Terms**

14. Delivery and installation charges will be billed to Customer by separate invoice. Delivery and installation charges are not incurred by Customer until such services are provided by Interphase.

15. Change of Scope - Before or during installation, Customer may request additional services outside of the original project scope. A signed Change Order is required before additional services can commence. Layout changes during installation may result in additional product needs that could cause delays in the completion of the furniture installation and may result in additional charges.

16. Floor Protection - Interphase will provide necessary floor protection per building requirements. If other specific or extraordinary protection is needed, Customer must notify Interphase before the work begins.

17. Electrical Work - Unless specifically indicated, electrical work in the following areas is not included:

- a. Electrical Wiring to the Space
- b. Hardwiring of Feeds

Interphase can make arrangements for these services and Interphase will bill Customer accordingly.

18. Delivery - Free and clear access to docks and elevators for deliveries is required. Special arrangements or considerations must be noted prior to accepting the service proposal. Carry up delivery will result in additional charges.

19. Work Environment - Free and clear access to the work site for delivery, staging and installation is required. Electricity, heat, hoisting, lighting and elevator service will be furnished as required without charge to Interphase. Floors covered by this proposal shall be smooth, level and free from debris, and concrete subject to dampness shall be waterproofed prior to delivery and installation of merchandise.

NOTE: Furniture deliveries/installations should not be performed side-by-side with other construction trades. The overlap in building construction and furniture installation increases the potential of additional costs brought about due to the quantity of personnel and equipment with simultaneous deadlines. Any damage caused by other trades will be the Customer's responsibility.

Ite	Qty.	Product	Price	
			Unit	Extended

20. Working Hours - Normal delivery and installation services (including drive time) are conducted between the hours of 7:00 AM and 4:00 PM Eastern Time, Monday through Friday, excluding holidays. Services performed times and/or days other than normal may result in additional charges which may or may not include overtime billed at 1.5 times standard billing rates.

21. Staging Areas - Staging areas will be provided by Customer on the same floor and within the workspace.

22. Timeframes - Changes in the number of days allowed to complete the delivery and installation may result in additional charges.

23. Rework Preparation - Workstations, files, drawers, etc. shall be emptied/boxed/clear of space before the arrival of installation crews.

24. Trash Removal - Interphase will remove and discard trash related to the delivery and installation of furniture.

25. Final Cleaning - Interphase will wipe down the installed furniture after installation. Excessive cleaning necessary due to debris and dust by other trades is not included.

26. Punch List - Interphase will provide a project punch list to Customer upon significant completion of the installation.

27. Interphase will not be liable for damages not caused by its actions or negligence.

28. Insurance – Interphase will carry public liability, worker’s compensation, property damage and automobile/truck insurance. Fire, tornado, earthquake, flood, vehicle, general liability and other causality insurance related to the job site, the product, or the transit of the product will be provided and paid by Customer. Customer shall be solely responsible for insurance coverage for the product from the time ownership passes to Customer, under these Terms and Conditions.

**Pricing subject to change daily. A 50% deposit is required at time of order entry.**

Contract Omnia Partners Region 4 ESC (R191818)  
Contract # R191818

### To Whom It May Concern:

Please note the following pricing has been presented in Omnia Partners Region 4 ESC Contract NET values, based on the stated models, colors, finishes, and quantities. Any alterations will be subject to updated pricing.

Pricing is valid for 30 days\* for projects delivering within 9 months of the receipt of a complete PO. Orders with delivery requirements outside of 9 months must be quoted. Please discuss specific project requirements with your VS America Territory Manager.

Factory-direct orders qualify for free shipping if the total net amount is over \$50,000 USD. Freight charges do apply for any orders fulfilled from the VS America Stock / Quickship Program. Please refer to the Customer Freight Terms document, Omnia Region 4 Freight Terms, for a complete list of exclusions and restrictions.

Installation is not included in unit pricing.

Please check all details prior to submitting an order. Where details have been left unspecified in the request, default selections have been quoted. If you have any questions, please contact your Inside Sales Representative or Territory Manager at the numbers shown above.

Best Regards,

VS America Inc.

\*Barring the announcement of a formal price increase.

Accepted Date

Dew-El Corporation would like to thank you for the opportunity to quote your furniture needs. The attached proposal outlines the specifications and pricing based on the information provided. By signing and returning this quote, you agree to be bound by the terms and conditions contained herein which shall become the fully integrated agreement between you, the Client, and Dew-El Corporation.

**DELIVERY AND INSTALLATION**

1. Delivery/installation services are performed during normal business hours Monday through Friday 8:00am to 5:00pm unless otherwise specified; Client may incur additional charges for services performed after hours and/or weekends. All labor is quoted as a single-phase installation unless noted otherwise. If additional trips or phases are required due to the Client not being prepared for delivery or the site not being ready, it may result in added cost to the labor quote. Product will be delivered and installed on a mutually agreed upon date. All available spaces must be ready for furniture; installation of all carpet, painting, lighting, and ceiling tiles must be completed. If delivery and/or installation are requested by the Client to an uncompleted space, Client accepts responsibility for any damage to or theft of the product. The Client may request partial delivery and/or installation when placing the order. If so, the Client agrees to both take delivery and pay for all delivered items on a partial basis.
2. Prior to the installation, Dew-El Corporation is to be informed of the following guidelines or restrictions for proper access to the building: dock accessibility, sidewalks, parking lots, elevator access above the first floor, time restrictions, security checks or any safety requirements needed for access to your facility during the time of the installation. Any notification that delivery and/or installation cannot be accepted must be communicated to Dew-El Corporation no later than 12:00pm on the business day prior to the scheduled delivery and/or installation date. Dew-El Corporation requests product to be shipped by our manufacturers according to customer needs. If a Client has requested product to be installed by a specific date, Dew-El Corporation will work with the manufacturer to have all product received in time for the installation date requested by the customer. Dew-El Corporation shall not be held liable for manufacturing/delivery delays outside of Dew-El Corporation's control. If for any reason the customer delays the original installation date, Dew-El Corporation reserves the right to invoice for all product shipped according to the customer requested delivery date.

**SALES TAX**

Prices quoted include sales tax, and taxes will be included upon invoicing, unless an exemption certificate is furnished by the Client. If tax-exempt, please send a copy of your exemption certificate along with your signed quote.

**PAYMENT TERMS**

1. The following estimate is valid for 30 days. Payment terms are net due 30 days from invoice date, which is initiated upon shipment and/or fulfillment of service.
2. In the event of project delays due to construction, trades or equipment, the Client is expected to bring payments to a net retainage of 90% of the estimate. The Client is permitted to hold as retainage an amount equal to the value of uncompleted work, damaged or incorrect items.
3. Should Client default in payment of this Contract, charges shall be added from the date of default at the rate of one and one half percent (1 1/2%) per month, (18% per annum).
4. Client agrees to pay a Transaction Convenience fee of three point eight percent (3.8%) of the sell price shown on the proposal (including applicable sales tax) when the method of payment is in any form other than Dew-El Corporation's standard payment methods, which include cash, check, or ACH/direct deposit.

**ACCEPTANCE**

All sales are final; specified product is non-returnable and non-refundable. Claims for defects, errors or shortages must be made in writing within twenty business days after delivery. Failure to make a claim within such period shall constitute acceptance of the items.

**CANCELLATIONS AND CHANGES**

To accept the following estimate, drawings, specifications and delivery and installation conditions please sign both below and the last page of the estimate. If a purchase order is required for payment, that order number must be provided at the time of order placement. Any change(s) to an existing order may incur additional fees once the order has been placed. Such charges may include but not limited to; date moves, product changes/deletions, and "ship to" changes. Your signature approves Dew-El Corporation Terms and Conditions stated above.

**Terms & Conditions - Interphase Office Interiors, Inc.****Payment Terms**

Interphase, Inc. shall make every effort to deliver and install all products as quickly as possible. However, any delivery and/or installation dates quoted to Customer are approximate and the Interphase obligation shall be only to deliver and/or install the products within a reasonable time. Also, due to certain factory shipment schedules, it is possible that Interphase will be able to deliver and install only portions of the job at a time. Therefore, payment shall be made in accordance with the following terms:

1. All prices are FCA manufacturer point of shipment unless otherwise specified.
2. Terms are net 10 days from date of invoice. Customer will be invoiced for items as delivered. In no case is payment to be withheld for acceptable products should any portion of the job be unacceptable or undelivered. If any products are unacceptable or undelivered, the Customer must pay the balance of the invoice within 10 days, but may withhold the lesser amount of 10% of the total invoice or the value of the unacceptable products. The remaining balance is due 10 days after final delivery.
3. All materials are subject to Michigan State Sales Tax or other applicable State Sales Tax.
4. Interphase requires a deposit equaling 50% due at time of order (100% deposit for COM & COL). Said deposit will be applied to Customer's account until such product is delivered and invoiced. Each invoice, less its proportionate share of the deposit, will be due and payable according to the above terms and conditions. Other progress payments, as well as a deposit for delivery and/or installation, may be required throughout the order cycle depending on specific circumstances for each Buyer and order.
5. All orders are subject to credit approval.
6. An order is not cancelable once the order is confirmed by the vendor or manufacturer of the product, regardless of whether such confirmation is provided to Customer. Quick ships and fabric orders are not cancelable.
7. Customer agrees that the seller may pass through to Customer any charges, costs or fees that it incurs as result of Customer paying Seller through use of a credit card, debit card, credit facility or wire fees, and that such passed through charges, costs or fees may be subject to sales or use tax.
8. If Customer is unwilling or unable to accept delivery or installation of the products according to the specified schedule, the products will be stored at Customer's expense. Customer agrees to be invoiced for 100% of the invoice, to be paid within 10 days. In addition, Customer shall pay a warehouse charge payable monthly beginning after 30 days of warehouse storage. Extra handling of product will be charged at our normal hourly rate. This could be a result of Customer's site not being ready or site conditions that impair installation.
9. Interphase retains, and Customer hereby grants to Interphase, a security interest in the products to secure the purchase price therefore. The products shall remain personal property regardless of being fixed to any real property. If Customer defaults in the payment of the purchase price when due, Interphase shall have all rights and remedies granted by the Uniform Commercial Code. A finance charge of 1.5% per month (annual percentage rate 18%) will be charged on all past due balances. Customer shall pay all collection costs and attorney's fees in the event that the debt or any part thereof is referred to a collection agency or attorney.

**General Terms**

10. The quotation contained herein has been reviewed and approved by an authorized Customer representative for correct product, fabric, finishes and quantities. In addition, Interphase must have the opportunity to physically take its own measurements of the space to assure accuracies of custom ordered products. If actual measurements are not possible and Interphase must order from construction drawings and they are inaccurate, any extra expenses are Customer's responsibility. Any services rendered to Customer to change or modify the specification and layout before or during installation will be charged to Customer at prevailing rates. If such changes or modifications result in additional products, parts, materials or labor, they will be billed to Customer at prevailing rates. A restocking fee, based on product cost and vendor policies, will be assessed on all changes made after acknowledgement date, or for any product cancellations.

Item	Qty.	Product	Unit	Extended
------	------	---------	------	----------

11. Customer acknowledges that the products are manufactured by others. AS BETWEEN CUSTOMER AND INTERPHASE, THE GOODS ARE OTHERWISE "AS IS WHERE IS" WITH ALL FAULTS AND INTERPHASE MAKES NO EXPRESS, IMPLIED OR STATUTORY WARRANTIES, ALL OF WHICH ARE DISCLAIMED AND EXCLUDED BY INTERPHASE INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY, NON-INFRINGEMENT, SUITABILITY FOR A PARTICULAR PURPOSE OR USE, EXCEPT THOSE MADE BY THE MANUFACTURER OF THE PRODUCTS. No third party, including any employee or agent of Interphase, is authorized to make any representation, promise, or warranty concerning the goods and any statements made by those parties are not binding on Interphase unless in writing signed by an authorized representative of Interphase. Any technical advice furnished by Interphase or its employees or agents is for Customer's convenience only and Interphase assumes no obligation or liability for the advice given or the results obtained from that advice. Any claim must be made to Interphase in writing within five (5) days after delivery or installation of the products and if no claim is received by Interphase. Customer will have waived any such claim.

12. No liability shall accrue against Interphase as a result of breach of terms and conditions caused by any strike, act of God, lockout, accident, or delay beyond its control.

13. Merchandise shipped direct to Customer will be the responsibility of Customer except as otherwise agreed in writing. The receiving Customer is responsible to inspect merchandise immediately upon receipt and file any necessary freight claims with freight provider.

**Installation & Delivery Terms**

14. Delivery and installation charges will be billed to Customer by separate invoice. Delivery and installation charges are not incurred by Customer until such services are provided by Interphase.

15. Change of Scope - Before or during installation, Customer may request additional services outside of the original project scope. A signed Change Order is required before additional services can commence. Layout changes during installation may result in additional product needs that could cause delays in the completion of the furniture installation and may result in additional charges.

16. Floor Protection - Interphase will provide necessary floor protection per building requirements. If other specific or extraordinary protection is needed, Customer must notify Interphase before the work begins.

17. Electrical Work - Unless specifically indicated, electrical work in the following areas is not included:

- a. Electrical Wiring to the Space
- b. Hardwiring of Feeds

Interphase can make arrangements for these services and Interphase will bill Customer accordingly.

18. Delivery - Free and clear access to docks and elevators for deliveries is required. Special arrangements or considerations must be noted prior to accepting the service proposal. Carry up delivery will result in additional charges.

19. Work Environment - Free and clear access to the work site for delivery, staging and installation is required. Electricity, heat, hoisting, lighting and elevator service will be furnished as required without charge to Interphase. Floors covered by this proposal shall be smooth, level and free from debris, and concrete subject to dampness shall be waterproofed prior to delivery and installation of merchandise.

NOTE: Furniture deliveries/installations should not be performed side-by-side with other construction trades. The overlap in building construction and furniture installation increases the potential of additional costs brought about due to the quantity of personnel and equipment with simultaneous deadlines. Any damage caused by other trades will be the Customer's responsibility.

20. Working Hours - Normal delivery and installation services (including drive time) are conducted between the hours of 7:00 AM and 4:00 PM Eastern Time, Monday through Friday, excluding holidays. Services performed times and/or days other than normal may result in additional charges which may or may not include overtime billed at 1.5 times standard billing rates.

21. Staging Areas - Staging areas will be provided by Customer on the same floor and within the workspace.

22. Timeframes - Changes in the number of days allowed to complete the delivery and installation may result in additional charges.

23. Rework Preparation - Workstations, files, drawers, etc. shall be emptied/boxed/clear of space before the arrival of installation crews.

24. Trash Removal - Interphase will remove and discard trash related to the delivery and installation of furniture.

25. Final Cleaning - Interphase will wipe down the installed furniture after installation. Excessive cleaning necessary due to debris and dust by other trades is not included.

Ite	Qty.	Product	Unit	Extended
-----	------	---------	------	----------

- 26. Punch List - Interphase will provide a project punch list to Customer upon significant completion of the installation.
- 27. Interphase will not be liable for damages not caused by its actions or negligence.
- 28. Insurance – Interphase will carry public liability, worker’s compensation, property damage and automobile/truck insurance. Fire, tornado, earthquake, flood, vehicle, general liability and other causality insurance related to the job site, the product, or the transit of the product will be provided and paid by Customer. Customer shall be solely responsible for insurance coverage for the product from the time ownership passes to Customer, under these Terms and Conditions.

**Pricing subject to change daily. A 50% deposit is required at time of order entry.**

Contract Omnia Partners Region 4 ESC (R191818)  
Contract # R191818

### To Whom It May Concern:

Please note the following pricing has been presented in Omnia Partners Region 4 ESC Contract NET values, based on the stated models, colors, finishes, and quantities. Any alterations will be subject to updated pricing.

Pricing is valid for 30 days\* for projects delivering within 9 months of the receipt of a complete PO. Orders with delivery requirements outside of 9 months must be requoted. Please discuss specific project requirements with your VS America Territory Manager.

Factory-direct orders qualify for free shipping if the total net amount is over \$50,000 USD. Freight charges do apply for any orders fulfilled from the VS America Stock / Quickship Program. Please refer to the Customer Freight Terms document, Omnia Region 4 Freight Terms, for a complete list of exclusions and restrictions.

Installation is not included in unit pricing.

Please check all details prior to submitting an order. Where details have been left unspecified in the request, default selections have been quoted. If you have any questions, please contact your Inside Sales Representative or Territory Manager at the numbers shown above.

Best Regards,

VS America Inc.

# QUOTATION

# 3327-28795

VALID UNTIL 3/4/2025

Dew-El Corporation would like to thank you for the opportunity to quote your furniture needs. The attached proposal outlines the specifications and pricing based on the information provided. By signing and returning this quote, you agree to be bound by the terms and conditions contained herein which shall become the fully integrated agreement between you, the Client, and Dew-El Corporation.

## DELIVERY AND INSTALLATION

1. Delivery/installation services are performed during normal business hours Monday through Friday 8:00am to 5:00pm unless otherwise specified; Client may incur additional charges for services performed after hours and/or weekends. All labor is quoted as a single-phase installation unless noted otherwise. If additional trips or phases are required due to the Client not being prepared for delivery or the site not being ready, it may result in added cost to the labor quote. Product will be delivered and installed on a mutually agreed upon date. All available spaces must be ready for furniture; installation of all carpet, painting, lighting, and ceiling tiles must be completed. If delivery and/or installation are requested by the Client to an uncompleted space, Client accepts responsibility for any damage to or theft of the product. The Client may request partial delivery and/or installation when placing the order. If so, the Client agrees to both take delivery and pay for all delivered items on a partial basis.
2. Prior to the installation, Dew-El Corporation is to be informed of the following guidelines or restrictions for proper access to the building: dock accessibility, sidewalks, parking lots, elevator access above the first floor, time restrictions, security checks or any safety requirements needed for access to your facility during the time of the installation. Any notification that delivery and/or installation cannot be accepted must be communicated to Dew-El Corporation no later than 12:00pm on the business day prior to the scheduled delivery and/or installation date. Dew-El Corporation requests product to be shipped by our manufacturers according to customer needs. If a Client has requested product to be installed by a specific date, Dew-El Corporation will work with the manufacturer to have all product received in time for the installation date requested by the customer. Dew-El Corporation shall not be held liable for manufacturing/delivery delays outside of Dew-El Corporation's control. If for any reason the customer delays the original installation date, Dew-El Corporation reserves the right to invoice for all product shipped according to the customer requested delivery date.

## SALES TAX

Prices quoted include sales tax, and taxes will be included upon invoicing, unless an exemption certificate is furnished by the Client. If tax-exempt, please send a copy of your exemption certificate along with your signed quote.

## PAYMENT TERMS

1. The following estimate is valid for 30 days. Payment terms are net due 30 days from invoice date, which is initiated upon shipment and/or fulfillment of service.
2. In the event of project delays due to construction, trades or equipment, the Client is expected to bring payments to a net retainage of 90% of the estimate. The Client is permitted to hold as retainage an amount equal to the value of uncompleted work, damaged or incorrect items.
3. Should Client default in payment of this Contract, charges shall be added from the date of default at the rate of one and one half percent (1 1/2%) per month, (18% per annum).
4. Client agrees to pay a Transaction Convenience fee of three point eight percent (3.8%) of the sell price shown on the proposal (including applicable sales tax) when the method of payment is in any form other than Dew-El Corporation's standard payment methods, which include cash, check, or ACH/direct deposit.

## ACCEPTANCE

All sales are final; specified product is non-returnable and non-refundable. Claims for defects, errors or shortages must be made in writing within twenty business days after delivery. Failure to make a claim within such period shall constitute acceptance of the items.

## CANCELLATIONS AND CHANGES

To accept the following estimate, drawings, specifications and delivery and installation conditions please sign both below and the last page of the estimate. If a purchase order is required for payment, that order number must be provided at the time of order placement. Any change(s) to an existing order may incur additional fees once the order has been placed. Such charges may include but not limited to; date moves, product changes/deletions, and "ship to" changes. Your signature approves Dew-El Corporation Terms and Conditions stated above.

**Terms & Conditions - Interphase Office Interiors, Inc.**

**Payment Terms**

Interphase, Inc. shall make every effort to deliver and install all products as quickly as possible. However, any delivery and/or installation dates quoted to Customer are approximate and the Interphase obligation shall be only to deliver and/or install the products within a reasonable time. Also, due to certain factory shipment schedules, it is possible that Interphase will be able to deliver and install only portions of the job at a time. Therefore, payment shall be made in accordance with the following terms:

1. All prices are FCA manufacturer point of shipment unless otherwise specified.
2. Terms are net 10 days from date of invoice. Customer will be invoiced for items as delivered. In no case is payment to be withheld for acceptable products should any portion of the job be unacceptable or undelivered. If any products are unacceptable or undelivered, the Customer must pay the balance of the invoice within 10 days, but may withhold the lesser amount of 10% of the total invoice or the value of the unacceptable products. The remaining balance is due 10 days after final delivery.
3. All materials are subject to Michigan State Sales Tax or other applicable State Sales Tax.
4. Interphase requires a deposit equaling 50% due at time of order (100% deposit for COM & COL). Said deposit will be applied to Customer's account until such product is delivered and invoiced. Each invoice, less its proportionate share of the deposit, will be due and payable according to the above terms and conditions. Other progress payments, as well as a deposit for delivery and/or installation, may be required throughout the order cycle depending on specific circumstances for each Buyer and order.
5. All orders are subject to credit approval.
6. An order is not cancelable once the order is confirmed by the vendor or manufacturer of the product, regardless of whether such confirmation is provided to Customer. Quick ships and fabric orders are not cancelable.
7. Customer agrees that the seller may pass through to Customer any charges, costs or fees that it incurs as result of Customer paying Seller through use of a credit card, debit card, credit facility or wire fees, and that such passed through charges, costs or fees may be subject to sales or use tax.
8. If Customer is unwilling or unable to accept delivery or installation of the products according to the specified schedule, the products will be stored at Customer's expense. Customer agrees to be invoiced for 100% of the invoice, to be paid within 10 days. In addition, Customer shall pay a warehouse charge payable monthly beginning after 30 days of warehouse storage. Extra handling of product will be charged at our normal hourly rate. This could be a result of Customer's site not being ready or site conditions that impair installation.
9. Interphase retains, and Customer hereby grants to Interphase, a security interest in the products to secure the purchase price therefore. The products shall remain personal property regardless of being fixed to any real property. If Customer defaults in the payment of the purchase price when due, Interphase shall have all rights and remedies granted by the Uniform Commercial Code. A finance charge of 1.5% per month (annual percentage rate 18%) will be charged on all past due balances. Customer shall pay all collection costs and attorney's fees in the event that the debt or any part thereof is referred to a collection agency or attorney.

**General Terms**

10. The quotation contained herein has been reviewed and approved by an authorized Customer representative for correct product, fabric, finishes and quantities. In addition, Interphase must have the opportunity to physically take its own measurements of the space to assure accuracies of custom ordered products. If actual measurements are not possible and Interphase must order from construction drawings and they are inaccurate, any extra expenses are Customer's responsibility. Any services rendered to Customer to change or modify the specification and layout before or during installation will be charged to Customer at prevailing rates. If such changes or modifications result in additional products, parts, materials or labor, they will be billed to Customer at prevailing rates. A restocking fee, based on product cost and vendor policies, will be assessed on all changes made after acknowledgement date, or for any product cancellations.

Item	Qty.	Product	Unit	Extended
------	------	---------	------	----------

11. Customer acknowledges that the products are manufactured by others. AS BETWEEN CUSTOMER AND INTERPHASE, THE GOODS ARE OTHERWISE "AS IS WHERE IS" WITH ALL FAULTS AND INTERPHASE MAKES NO EXPRESS, IMPLIED OR STATUTORY WARRANTIES, ALL OF WHICH ARE DISCLAIMED AND EXCLUDED BY INTERPHASE INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY, NON-INFRINGEMENT, SUITABILITY FOR A PARTICULAR PURPOSE OR USE, EXCEPT THOSE MADE BY THE MANUFACTURER OF THE PRODUCTS. No third party, including any employee or agent of Interphase, is authorized to make any representation, promise, or warranty concerning the goods and any statements made by those parties are not binding on Interphase unless in writing signed by an authorized representative of Interphase. Any technical advice furnished by Interphase or its employees or agents is for Customer's convenience only and Interphase assumes no obligation or liability for the advice given or the results obtained from that advice. Any claim must be made to Interphase in writing within five (5) days after delivery or installation of the products and if no claim is received by Interphase. Customer will have waived any such claim.

12. No liability shall accrue against Interphase as a result of breach of terms and conditions caused by any strike, act of God, lockout, accident, or delay beyond its control.

13. Merchandise shipped direct to Customer will be the responsibility of Customer except as otherwise agreed in writing. The receiving Customer is responsible to inspect merchandise immediately upon receipt and file any necessary freight claims with freight provider.

### Installation & Delivery Terms

14. Delivery and installation charges will be billed to Customer by separate invoice. Delivery and installation charges are not incurred by Customer until such services are provided by Interphase.

15. Change of Scope - Before or during installation, Customer may request additional services outside of the original project scope. A signed Change Order is required before additional services can commence. Layout changes during installation may result in additional product needs that could cause delays in the completion of the furniture installation and may result in additional charges.

16. Floor Protection - Interphase will provide necessary floor protection per building requirements. If other specific or extraordinary protection is needed, Customer must notify Interphase before the work begins.

17. Electrical Work - Unless specifically indicated, electrical work in the following areas is not included:

a. Electrical Wiring to the Space

b. Hardwiring of Feeds

Interphase can make arrangements for these services and Interphase will bill Customer accordingly.

18. Delivery - Free and clear access to docks and elevators for deliveries is required. Special arrangements or considerations must be noted prior to accepting the service proposal. Carry up delivery will result in additional charges.

19. Work Environment - Free and clear access to the work site for delivery, staging and installation is required. Electricity, heat, hoisting, lighting and elevator service will be furnished as required without charge to Interphase. Floors covered by this proposal shall be smooth, level and free from debris, and concrete subject to dampness shall be waterproofed prior to delivery and installation of merchandise.

NOTE: Furniture deliveries/installations should not be performed side-by-side with other construction trades. The overlap in building construction and furniture installation increases the potential of additional costs brought about due to the quantity of personnel and equipment with simultaneous deadlines. Any damage caused by other trades will be the Customer's responsibility.

20. Working Hours - Normal delivery and installation services (including drive time) are conducted between the hours of 7:00 AM and 4:00 PM Eastern Time, Monday through Friday, excluding holidays. Services performed times and/or days other than normal may result in additional charges which may or may not include overtime billed at 1.5 times standard billing rates.

21. Staging Areas - Staging areas will be provided by Customer on the same floor and within the workspace.

22. Timeframes - Changes in the number of days allowed to complete the delivery and installation may result in additional charges.

23. Rework Preparation - Workstations, files, drawers, etc. shall be emptied/boxed/clear of space before the arrival of installation crews.

24. Trash Removal - Interphase will remove and discard trash related to the delivery and installation of furniture.

25. Final Cleaning - Interphase will wipe down the installed furniture after installation. Excessive cleaning necessary due to debris and dust by other trades is not included.

Item	Qty.	Product	Unit	Extended
------	------	---------	------	----------

- 26. Punch List - Interphase will provide a project punch list to Customer upon significant completion of the installation.
- 27. Interphase will not be liable for damages not caused by its actions or negligence.
- 28. Insurance – Interphase will carry public liability, worker’s compensation, property damage and automobile/truck insurance. Fire, tornado, earthquake, flood, vehicle, general liability and other causality insurance related to the job site, the product, or the transit of the product will be provided and paid by Customer. Customer shall be solely responsible for insurance coverage for the product from the time ownership passes to Customer, under these Terms and Conditions.

**Pricing subject to change daily. A 50% deposit is required at time of order entry.**

Contract Omnia Partners Region 4 ESC (R191818)  
Contract # R191818

### To Whom It May Concern:

Please note the following pricing has been presented in Omnia Partners Region 4 ESC Contract NET values, based on the stated models, colors, finishes, and quantities. Any alterations will be subject to updated pricing.

Pricing is valid for 30 days\* for projects delivering within 9 months of the receipt of a complete PO. Orders with delivery requirements outside of 9 months must be requoted. Please discuss specific project requirements with your VS America Territory Manager.

Factory-direct orders qualify for free shipping if the total net amount is over \$50,000 USD. Freight charges do apply for any orders fulfilled from the VS America Stock / Quickship Program. Please refer to the Customer Freight Terms document, Omnia Region 4 Freight Terms, for a complete list of exclusions and restrictions.

Installation is not included in unit pricing.

Please check all details prior to submitting an order. Where details have been left unspecified in the request, default selections have been quoted. If you have any questions, please contact your Inside Sales Representative or Territory Manager at the numbers shown above.

Best Regards,

VS America Inc.

# Memorandum

To: Dr. Steven Matthews, Superintendent  
From: Dr. Korie Wilson-Crawford, Assistant Superintendent of Human Resources  
Date: February 10, 2025  
Subject: Policy Update – Second Reading

---

With the Policy Committee’s approval, the following NEOLA policy update will be brought to the Board for a second reading on February 10, 2025.

Policy Number	Description	Revised	New	Replacement
Po2410	Prohibition or Referral or Assistance	X		

Thank you for your continued support of the Policy Review Committee.

## Policy Committee Meeting

---

Date: December 20, 2024

Time: 7:30 AM

Location: Administration Building

---

1. Welcome
2. Policy Discussion
3. Other Questions
4. Adjournment

Book	Policy Manual
Section	Board consideration 12-20-24
Title	Copy of PROHIBITION OF REFERRAL OR ASSISTANCE
Code	po2410
Status	
Adopted	November 27, 2017
Last Revised	December 19, 2019

#### 2410 - PROHIBITION OF REFERRAL OR ASSISTANCE

~~In accordance with Michigan statute,~~ Any school official, member of the Board of Education, or employee of the Board who is not the parent or the legal guardian of the student involved is prohibited from referring a student for an abortion or assisting a student in obtaining an abortion. Any school official, member of the Board, or employee of the Board who violates this policy is subject to disciplinary action.

Any alleged violation of this policy shall be reported to the Superintendent, who shall follow the procedures set out in Policy 1439, Policy 3139, Policy 4139, or the current negotiated bargaining agreement, whichever is applicable, to investigate the allegation. If the allegation relates to a school official, member of the Board, or employee of the Board to whom Policy 1439, Policy 3139, Policy 4139 or a current negotiated bargaining agreement does not apply, the Superintendent shall conduct an investigation, as appropriate to the situation, including providing the person with reasonable notice and the opportunity to respond. All disciplinary measures available under Board Policy 1439, Policy 3139, or Policy 4139 may be utilized, as appropriate, if the Superintendent determines that a violation of this policy occurred.

## RPS Board of Education Policy Committee Meeting

December 20, 2024

**Meeting Location:** Administration Building    **Meeting Time:** 7:30 a.m.

**Attendance:** Dr. Steven Matthews, Dr. Korie Wilson Crawford, Christie Ramsey, Jarrod Folsom, Kelley Freridge, Rachel Kreuze, and Jill Avink (recorder)

---

Christie called the meeting to order at 7:31 a.m.

### Welcome

Dr. Matthews started the meeting with a discussion to review policies 2410, 2414, and 2418, and welcomed Head Counselor, Rachel Kreuze to share her professional insights.

### Policy Discussion

- The review of policy 2410 with the committee for a first reading at the January BOE meeting. It was discussed that the policy should be kept except for edits to the first sentence. Counselor, Rachel Kreuze shared insights as a counselor and the impacts of policy 2410.
- Korie reviewed the Neola recommendations for policies 2414 and 2418 with the committee, and it was decided that no changes will be made to either of these policies

The meeting was adjourned at 8:55 a.m.

## RPS Board of Education Building and Site Committee Minutes

January 30, 2025

**Meeting Location:** Administration Building      **Meeting Time:** 8:30 a.m.

**Attendance:** Tricia Anderson, Kelley Freridge, Andrea Jacobson, Allison Clements, Carl VanderZee, Shawn Hayward, Chris Meuser, Matt Puett, Rob Gulliver, and Joanne Gerhard

---

Andrea Jacobson called the meeting to order at 8:32 a.m. Andrea Jacobson motioned to approve the agenda. Kelley Freridge seconded the motion.

Andrea Jacobson called for a moment of silence.

Tricia Anderson approved the previous meeting minutes.

### **2025 Summer Paving Bid Summary (RFC, RHS, PKS) Rams XII Initiative Pillar 5.C.2 Modernizing Infrastructure**

Rob Gulliver detailed what areas would be repaved over the summer 2025.

#### Details:

Rob Gulliver and Shawn Hayward spoke of the specific details per school. Parkside's westside driveway will be reinforced with heavy duty concrete and the dumpsters will be enclosed. An ADA compliant access will be added in the back of Parkside. Rockford High School will have the Junior and staff lots repaved. Rockford Freshman Center will have the front parking lot, bus loop, and front walkways repaved. A rolled curb will be added to the front island, allowing for easier snow management.

### **RFC Abatement Bid Summary Rams XII Initiative Pillar 5.C.2 Modernizing Infrastructure**

Shawn Hayward detailed the need for the abatement at the RFC before renovations begin. The project went to bid in December 2024.

#### Details:

The abatement would be the removal of the asbestos from the areas designated for the Freshman Center renovation. Spring Break 2025 is when Quality Environmental Services, LLC will go in to remove the affected areas.

**District Network Switch Bid Summary**  
**Rams XII Initiative Pillar 5.C.1 Planning for the Future**  
**Rams XII Initiative Pillar 2.C.1 District Response Team**

Carl VanderZee and Chris Meuser detailed the need to update the technology platform to help support the network devices.

Details:

Sentinel Technologies won the bid, this is the same company that installed the network in Edgerton Trails. They will continue the same platform throughout the district. The district has 60 switch boxes located in buildings throughout the district. The life expectancy of the switches is 5-6 years. To stay current with the changing technological needs of the staff and students an update is needed. The district will apply for an E-Rate reimbursement to help offset the cost.

**District Workstation Upgrade**  
**Rams XII Initiative Pillar 5.C.2 Modernizing Infrastructure**  
**Rams XII Initiative Pillar 1.A.3 Student Engagement**

Carl VanderZee and Chris Meuser explained the need to update the staff and student devices every 4-7 years depending on the device. Communication By Design will go with the lowest bid or consortium pricing.

Details:

Carl VanderZee explained the cost saving and reason the district chooses to go with Chromebooks as opposed to Microsoft laptops.

**Bus Replacement**  
**Rams XII Initiative Pillar 5.C.2 Modernizing Infrastructure**  
**Rams XII Initiative Pillar 2.C.2 Safe District Learning Environments**

Matt Puett presented the bids for seven new buses, continuing the annual update of the district's fleet.

Details:

The lowest bid was from Hoestra, which keeps the district's fleet with a consistent manufacturer. Matt Puett explained that it is beneficial to keep the same manufacturer when doing maintenance and repairs.

**Committee Members Questions and Other Items**

Allison Clements stated that the City of Rockford and Plainfield Township had requested for the district to give consent to strike delinquent taxes from their rolls. The total dollar amount for the district is \$448.44.

A Doodle will be sent out to the Board for the members that would like a tour of the new addition to North Rockford Middle School and the Transportation Building.

9:38 a.m. Kelley Freridge made a motion to adjourn the meeting. Andrea Jacobson seconded and Tricia Anderson accepted.

## RPS Board of Education Curriculum and Instruction Council

February 6, 2025

**Meeting Location:** Administration Building    **Meeting Time:** 7:30 a.m.

**Attendance:** Mike Ramm, Jarrod Folsom, Christie Ramsey, Barb Helms, Jenny Thompson (7:52-8:06), Lance Johnson (7:52-8:06), Lissa Weidenfeller (8:08-8:37), and Tracy Ignasiak (recorder)

---

Christie called the meeting to order at 7:32 a.m.

Barb moved and Jarrod supported the approval of the minutes from December 2024.

### **Welcome**

Mike Ramm welcomed all in attendance and shared the purpose of the Board Curriculum and Instruction Council meetings are to engage the RPS Board of Education (BOE) committee members in meaningful dialogue surrounding district, student learning-focused topics and initiatives. Mike specifically welcomed the new members, Christie and Barb, and gave a brief overview of what to expect during the BOE Curriculum and Instruction Council meetings.

### **Winter NWEA Results**

RAMS XII Strategic Plan 1.A.4 - Data Response/Assessment

#### Topic Objective:

- Share with the committee our district's system for monitoring student achievement, as well as dialogue about winter data trends.

#### Details:

Our district utilizes three student learning assessment systems: state (M-step), benchmark (NWEA) and Common Formative Assessments that RPS creates. RPS uses the data of all of the assessments to gauge student learning and then develops an instructional response to the data. Three times during the school year, the administrative team reviews benchmark data and then monitors the progression of individual building goals through collaborative team meetings and determining where goals are being met, as well as areas in need of improvement.

With the collaboration of the building leadership team, principals create a Building Target Report, outlining goals and targets. Mike meets with the principals three times per year to review the assessment data compared to the goals and targets.

This process ensures that learning progression is continually monitored at a district level, building level, and grade level for individual buildings, as well as district-wide, informing the principals and district administrators where more support is needed.

Mike reviewed winter assessment data and stressed the PLC process, team collaboration and ownership of data are crucial elements of how our district supports student learning on all levels. IN the end, our system is increasingly becoming aligned to ensure that every student learns at high levels.

Mike shared the K-5 ELA scores from the fall and winter and addressed why the small increase in proficiency was due to the new implementation of the new CKLA ELA curriculum. Data from the new curriculum typically does not reflect an increase in proficiency until the third year of implementation so the district was pleased to see a small increase during year one. Mike attributes this to the collaboration and responses determined through the PLC process. Math progress across the district was advanced in grade levels K-8.

## **River Valley Academy Graduation Requirements**

### RAMS XII Strategic Plan 1.A.5 Eliminating Opportunity Gaps

#### Topic Objective:

- Update the committee on an upcoming proposal to the Board of Education establishing graduation requirements specific to River Valley Academy (RVA) which would differ from those for the Rockford High School

#### Details:

Jenny Thompson and Lance Johnson are members of a team that found 76% of the Kent ISD district with alternative education programs offer opportunities to graduate with fewer credits than are required for a traditional high school diploma. One of these opportunities is the Michigan Merit diploma (MMD) which is awarded to students who demonstrate proficiency with the content outlined by the state academic standards, benchmarks or guidelines. The difference between earning a MMD and a Rockford High School (RPS) diploma is 8 elective credits. Many students attend RVA as they are deficient in credits, and the most recent data reflects the majority of the deficient credits are the 8.5 elective credits that are required to earn a RPS diploma. While the elective credits offer exposure to a wide variety of opportunities outside of the academic standards, the credit deficiency is resulting in students feeling more defeated about earning a high school diploma. Jenny and Lance would like to bring a proposal to the Board of Education (BOE) meeting in March requesting the BOE to consider an opportunity for students to earn their MMD in place of the Rockford High School diploma. They feel this opportunity will result in more student success and increase the opportunities for students to develop their career path or continue their educational path in a post-secondary setting.

BOE members of the Curriculum and Instruction Council encouraged Jenny and Lance to bring the proposal to the BOE meeting in March.

## 11th Grade ELA

### RAMS XII Strategic Plan 1.A.1 - Guaranteed and Viable Curriculum

#### Topic Objective:

- Mike will update the group about an 11th grade ELA resource investigation and piloting process that will begin at trimester.

#### Details:

Mike reviewed the curriculum selection process that is used to vet all potential new materials, highlighting the need to be tightly aligned with MDE content standards and a high level of rigor. 11th grade is the last grade level to review for ELA and teachers requested better resources to consistently target students' learning. Some of the current 11th grade teachers also teach 10th grade AP Seminar and are experiencing the benefits of the enhancement of collaboration around the same resource and responding to student assessment results.

After the in-depth selection process of four curriculum models, the team unanimously voted to pilot SAVVAS My Perspectives. One major highlight of this curriculum is that it allows opportunities for higher level learners and those who may need extensions and/or interventions. The pilot is scheduled to begin with the spring trimester in March.

## Middle School Foreign Language Expansion

### RAMS XII Strategic Plan 1.A.1 - Guaranteed and Viable Curriculum

### RAMS XII Strategic Plan 1.D.2 - Innovative Programming

#### Topic Objective:

- Mike Ramm and Lissa Weidenfeller will update the committee on the details for inquiring about student enrollment interest in adding additional language options at ERMS and NRMS.

#### Details:

In the spring of 2024, there was expressed interest through leadership of the district's modern language representatives on the Academic Excellence Team in dialoguing to consider increasing the foreign language offerings at the middle school level. The intent was to boost interest in foreign languages at an earlier age while providing the rigorous academic opportunity for students to earn high school credit while in middle school. Currently the [Michigan Merit Curriculum](#) graduation requirements requires two years of a foreign language and the Rockford middle schools have offered one half of year credit of Spanish for approximately the last seven years. The conversation prompted secondary principals to gauge student interest through a survey and review master schedule options for the 2025-2026 school year that would include offering Spanish, French and German to middle school students. These offerings, should enough student enrollment interest be generated, would be staffed by existing modern language staff.

Though on different time schedules, the high school modern language teachers guaranteed that one full year of high school modern language curriculum standards could be taught to middle school students in two trimesters, allowing students to earn high school credit. This opportunity would offer rigorous academic and high school credit earning opportunities to middle school students and offerings will be based on enrollment selections of students. Decisions for master scheduling language offerings at the middle school level will be finalized based on interest in April of this school year.

**OTHER:**

Brief discussion revolved around the expansion of Spanish Immersion programming and the transition of Parkside Elementary to an Early Childhood Center.

Christie adjourned the meeting at 8:37 a.m.
