First Grade

Arrival: 6:05pm

Program: 6:15pm

Programs will last between 20-25 minutes.

Arrival: We will have signs posted at the entrance of NRMS and throughout the halls leading to the lower gymnasium. Please have one family member drop your student off in their assigned area with their classroom teacher along the edges of the gym. Each class' meeting spot will be labeled with their teacher's name on a sign! Make sure a teacher is present before leaving them and then head to find a seat in the bleachers. Please take all your student's belongings such as coats, hats, boots, etc. with you. We will not leave anything in these areas.

What should my student wear to the program?

Please have your student wear their music program best. For example, button-down shirt, sweater, skirt/dress, khakis, black pants, dress shoes.

Departure: Plan to have one family member pick your student up from the same spot you dropped your student off. Please be sure to notify their classroom teacher so they know your student is being picked up before you leave.

A few other things:

- Make sure your child uses the restroom before going to the class meeting areas.
- Please silence devices for the performance.

Please call 863-6374 ext. 6212 or email erito@rockfordschools.org with any questions!
