VALLEY VIEW SANTA SHOP

We are excited to announce that Valley View Elementary will once again be hosting our annual Santa Shop this holiday season! This year, we are partnering with Natalie's Elf Shelf Holiday Store to transform our school library into a festive and magical holiday shopping experience.

Santa Shop Details
Shopping Dates: December 7th-11th
Where: Valley View Elementary Library
When: Students will visit the shop during their regularly scheduled library times (see schedule on the following page).

Attached is your child's ***Gift Guide Envelope***. Please seal your child's shopping funds inside and return the envelope to your child's teacher *prior to* his/her scheduled shopping date (schedule on the back). You may send cash or a check made out to Valley View PTO. Please note that cash is preferred as we will not be able to provide change if paying by check.

We want to make sure every child has the opportunity to participate. For this reason, we will once again offer Elf Bucks, funded by the PTO, for students who would benefit from financial assistance. If your child may need support, please let us or your child's teacher know before their scheduled shopping time. We will make sure they can enjoy the experience alongside their classmates.

Volunteers Needed:
To make this event a success, we need your help! Volunteers are needed for the following:

- ***Shopping Assistants:*** Volunteer to help students shop during the week of the Santa Shop (December 7th - 11th). Volunteers will also help students wrap and address their gifts during this time. We will both have morning shifts and afternoon shifts available.
- **Event Break Down:** The shop will be open the morning of December 11th for any students who still need to shop. At 10:30am that day, we will begin breaking down the event and need some extra hands.

If you'd like to volunteer for one (or more!) of these opportunities, please visit our Sign Up Genius via the QR code to reserve your spot:

Thank you for helping make this event a success. We look forward to sharing the magic of the season with your child!
